## *From the Commodore*

### By Commodore Robin MacCartee

Fellow members,

Over the past two years, it has been well-communicated that our Club has been through an accounting crisis. We have not had reliable financials for many months, and consequently have not been able to make informed decisions on investments, budget and Capital Improvements. We have asked the membership to be patient and frankly, help fund some budgeting proposals while we work to overcome these obstacles. We also have not had a long-term financial strategy and have been running the club year to year. Each past Commodore has done his or her best to leave the Club in a better place. Yet, for over a decade, due to our desire for a new clubhouse "soon", we have not felt the need to have a long-term strategy. We are making every effort to change this.

We are currently in talks with the Port and the Coastal Commission to try and find common ground that is acceptable to both sides (I believe that is what negotiation is all about). In addition, our Staff, Officers and Volunteers have turned the corner on our accounting issues. We can now generate reliable financial statements that are easy to understand and follow GAAP rules. By September of this year, we plan to present a full, year-long picture of the club's finances and to have realistic and reliable numbers for use in next year's budget.

In addition, I, along with the next three incoming Commodores, have put together a Strategic Planning Group to prepare for the plan that we will be developing a new Clubhouse. The Plan is based on a five-year time frame to obtain all of the necessary permits, permissions, and funding to be able to break ground. We anticipate that we will need fifteen million dollars to build the new clubhouse. (The costs and time frame are projections for planning and may change as we get closer to building.) This effort involves long-term planning and investment, along with short-term adjustments. Above all, this plan requires member buy-in. We are at the beginning stages of the process, but some of the near term items you will start to see, are listed below:

#### **Capital Reserve Study:**

A list of all Capital projects the Club requires to operate until a new Clubhouse is built and may need to be funded from the Capital Reserves. This encompasses all building maintenance items, Clubhouse upgrades and emergency fixes. The list will be prioritized, starting with Life Safety and Security, down to items the members deem necessary to enjoy the membership experience over the course of the next five years. This action is currently in process.

#### **Budget Allocations:**

As mentioned, our financial books are now based on reliable information, but it is not telling the story of how our Club operates because it is not organized in a manner which allows the reader to tell, at a glance, part of club operations each expense should be attributed. By September, the accounting department will have all labor and spending allocated to the proper categories, which are: 1) Bar/Galley; 2) Marina; 3) Clubhouse and Administration; and, 4) Juniors. These allocations will be presented in the 2024 Budget to the Strategic Planning Group, Finance, the Board, and Membership for final approval. This action is currently in process.

#### **Volunteering & Fundraising:**

The Club is member owned and for decades, members did a lot of the heavy lifting. Today, we are struggling to find the support we once had. It is important members know that every time we ask for volunteers, and none come, the money to hire this work is taken out of the Operating Budget. Every time we try to fundraise, and we do not meet our fundraising goals, the money is taken out of the Operating Budget. The Board and Staff take requests for volunteering and fundraising very seriously, so we try not to ask too often. But if we continue to fall short in these areas, the deficiencies may affect your monthly dues if we wish to continue to support these long time club initiatives. The Strategic Planning Group is tasked with finding a way to fund a future Clubhouse. This means we must continue to preserve our Capital Reserve balances and fund them regularly. It also means that we, as members, can greatly influence the Operating Budget by staying active.

### **Slip Fees:**

Part of the allocation process mentioned above will involve the cost of our Slips. We must objectively determine what costs are responsibly allocated to the slips and therefore the responsibility of the Slip holders. Our slips are currently significantly less expensive than other Clubs. We believe that the cost to operate our slips - and therefore the price per foot charged to all slip holders - has not taken into account a number of major expenses, including the portion of insurance costs paid (that have previously, and inappropriately, been paid out of the operating budget) the cost of staff labor to maintain required records for all slip holders (one full time office staff member, etc.), and more. We will be holding workshops to discuss these allocations in August. I encourage all members to attend. This action will be taken to the Annual Meeting for a member vote.

### **Use it or Lose it:**

The price of Labor and Food items have risen dramatically over the last few years. So have member expectations of how they want their food choices and service. This is true for members who come every week or come once a year. Yet the quality and service of our Bar/Galley is primarily being supported by one-third of the members who participate in club activities and services year-round, which is not sustainable. Most other Clubs our size have instituted a Use it or Lose it policy to support their Bar/Galley. We will hold workshops in September to discuss instituting the policy. This action will be taken to the Annual Meeting for a member vote.

### **Initiation Fees:**

The Club Initiation fees are something that has been discussed and voted on a few times over the years without changing the fee structure. It has been argued that the long waiting list for membership applications dictates that fees should go up (supply and demand). On the other side, the waiting list is a guarantee of the continued health of the club by ensuring that we will always have a full membership list and 650 dues paying members. While the new Clubhouse demands that we contribute more to the Capital Reserves, there is a question as to how to raise these funds. One argument is that increased initiation fees will help, the other side argues that the difference in the monies raised if fees go up is minimal and the risk of jeopardizing the continued health of the overall membership level outweighs the reward. Both these arguments have merit. As such, a workshop will be held in October to discuss whether the members will support an initiation fee increase which will then be taken to the Annual Meeting for a member vote.

The Coronado Yacht Club has a goal to break ground on a new building in five years. Even if such an endeavor is not possible, it still makes sense to plan long term and build a strong foundation should such a time come. The process to do so is currently under way. The support and commitment of the next three Commodores is crucial, and I want to thank all of them for their contributions. Even more important though, is the members to buy in, supporting the initiatives, and providing input on how to design, institute, and execute them. I ask all of you to please be involved in these processes when you are invited to do so. This is our Club, and this is our time to set it up for current and future generations to enjoy.

**Thank you,  
Robin MacCartee**

## News from Chef Meghan

By F&B Director Meghan McKee

I would love to share some exciting news with the members about some awesome changes we have made here at CYC to our food service. Since I started here a little over a year ago, my goal was to resource local sources for our ingredients here, which is something I was experienced in since I have done this with my previous company. Change takes a lot of time and the members at the club were amazing in supporting this.

We order our Seafood from San Diego Seafood. San Diego Seafood is a family-owned business that bring the best selections and highest quality seafood to your plate. We also cut our fish in house and the seafood always comes in fresh, not frozen.

We bring in all produce daily from Specialty produce which is a 50,000 square foot organic certified facility and focuses on its paramount in the daily operations of our business. We receive our produce daily. This warehouse is open to the public and I strongly recommend a visit!!!

We are now offering some other local new upgrades to the club. MooTme ice cream , Krispy Kream donuts, and Café Mottos Organic Iced Cold brew are now being offered at CYC.

We have the CYC garden project starting soon and will be planting some yummy goodies. We hope to bring educational classes for our juniors and our local school.

We will soon be bringing in Stubborn which is a premium craft soda that offers delicious high-quality ingredients and bold and unexpected flavor combinations. The sodas are made with natural flavors as well as Fair Trade Certified Sugar with no artificial flavors, artificial colors, and no high fructose corn syrup.

We hope that you are enjoying our weekly specials and the changes that we have made to our main and weekend menus. Some of the new items we are excited about are weekly changing soups, more vegetarian options, a beautiful new chateaubriand steak, new seasonal salads, Ahi poke bowl, our new Kobe style beef burger, and more..

My final note. We have started a Member driven recipe challenge in hopes we can create enough recipes to make a Coronado Yacht Club cookbook. We started in May with Jill Powell's famous White Chicken Enchiladas, which sold out in about an hour and a half. Recipe entries can be sent directly to [Mmckee@coronadoyc.org](mailto:Mmckee@coronadoyc.org). I will run this special in our restaurant one week out of the month.

Thank you all for your support!

## Waves and Words

By Chaplain Gary Boggs

As I write ahead of publication, 165 days of 2023 have passed. When this edition of Waves and Words reaches you, half the year will have passed! Opening Day has come and gone for another year and the 4th of July is upon us! We still haven't seen much sunshine yet but hope springs eternal! In the past couple of months there have been some welcome changes around our property: The new storage containers are in place and the old sheds are completely gone! The Juniors have moved out of the parking lot and onto the vacated shed site. The demolition work has begun on the long-awaited new railing on our front deck! It's good to see some of the changes that have been in the works for years! Changes that will dress CYC up for the 4th!

We all love the "Independence Day" celebration. I like to remember that it's not just a holiday that gives an excuse to have a big party! In a day and age when there seems to be so much division in our land, let's look back and remember and reflect, that it's about the birth of the most amazing nation in history! On July 4th, 1776 our "Founding Fathers" adopted "The Declaration of Independence." That's 247 years of our country being a free nation committed to the truth that all men are created equal, that they are endowed by their Creator with certain unalienable Rights; that among these are Life, Liberty, and the pursuit of Happiness. The men who signed that document were willing to put their lives, honor, and fortunes on the line for the love of liberty. My hat has always been off to them and all the men and women who are willing today, to do the very same thing in defense of our freedom and way of life! In my humble opinion, it seems today, far too many people are only concerned about their own selfish opinions and ambitions instead of the Truth and Principles that men like Washington, Jefferson, Madison, Franklin, Adams, and others too numerous to mention, were willing to fight and die for. Perhaps it's time to re-focus on the principles that this nation was founded on and not be led in directions that divide and weaken us as a people. "If a kingdom is divided against itself, that kingdom cannot stand." (Mark 3:25)

As individuals and as a nation, we need to turn back to our roots and once again, have reverence for our creator God. We need to live lives that make a difference and bring honor to His name and to the memory of those who have gone before us, fighting, and dying so that we can be free! "God forgive us for leaving You out of the equation of our lives." Lead us back to the concept that our forefathers knew to be true: "That a nation cannot survive without God." One last thought: "If God is for us, who can be against us?" (Rom 8:31) Be kind to one another, look out for one another and love one another. May you have fair winds and following seas, Happy 4th of July! Chaplain.....out

# Monday Night Football Update

By MNF Committee

It's that time of the year again! Monday Night Football season is coming!!

Every Monday night, starting on September 11th, 2023, dinner will be served at 6:30pm, A.K.A. Half-Time for only \$9. Dinners include an entrée, vegetable or salad and dessert.

Dinners are prepared by fellow club members, and the Monday Night Football Committee reimburses the cook up to \$300 for the meal (usually an average of 50 people).

Get creative, go gourmet!!! Sign up at the Front Office and be part of the fun!!!

The season will begin with the Monday Night Football Committee cooking up our traditional Brats and Tots on September 11th.

Come join the fun!!!

## Boat Standard & Safety

By BSSC Chair Susan Schelkun

From the BSSC:

Summer is upon us and we are sending a gentle reminder to keep paddleboards, dinghies, water toys, oars, etc in their proper place and NOT on the docks or on the dock boxes. As always, it is a safety concern for all.

As the BSSC walks the docks, we have noticed power cords of all makes and sizes. Very often we are pulling them out of the water. Please consider being a good neighbor and fastening the cords to the dock. Much neater and safer. These are available at any marine store.

May 1947

By S/C Charlie Allen

The club was alive with activity. It was the 11<sup>th</sup> hour in the requisition of our clubhouse. The club was to be commissioned the last weekend of the month. Commodore Owen Wible and his board had accomplished all the preliminaries: a lease of beachfront from the city of Coronado,

A surplus Navy Wave barracks from 1<sup>st</sup> Street in Coronado, had it barged to our Glorietta Bay beachfront, a slab put in, the barracks placed on the slab, and a front deck built in pilings over the water. The May job was to get the Clubhouse in shipshape for Opening Day. Formerly the Club had built A dock, which accommodated our members yachts. Access was switched from the Del Boathouse to our beachfront. (The opposite of using an old gangway.). To do this was straightforward and a small guest dock was put in in front of the new club.

The new clubhouse was spiffed up by member work parties in the prior weekends of May.

My father, Rear Admiral Charles Allen, USN, Retired, joined the club 1 May. He was the member, my mother got a card saying she was a family member and I was enrolled as a junior member. At the age of 21 I would have to flag up or resign. (Shared memberships didn't happen until later. We attended all the work parties the month of May which was a wonderful way to meet our new friends.

Some of the people we met at these work parties were John Purcell, the straw boss, and a contractor, Duke Wellington, 1943, owner of the sloop "Betty", Bee Kempff, 1945, owner of the sloop "Surprise", Elmer and Kitty Muhl, 1949, owner of "Spray", Carl Ackerman, 1952, Chuck Soderberry, 1954, owner of the sloop "Annette", Carl and Teddy, a dynamic lady that owned a Lightning Class 19', one design, and a sparkplug for the fleet, which quickly grew to almost 20 boats, room for 3 or 4 in the cockpit and could be hoisted out and dry-stored, some of which were home built. Small boat sailing really took off in 1945 at the end of World War II. -Charlie

# 2023 Kitty Muhl Ladies Race

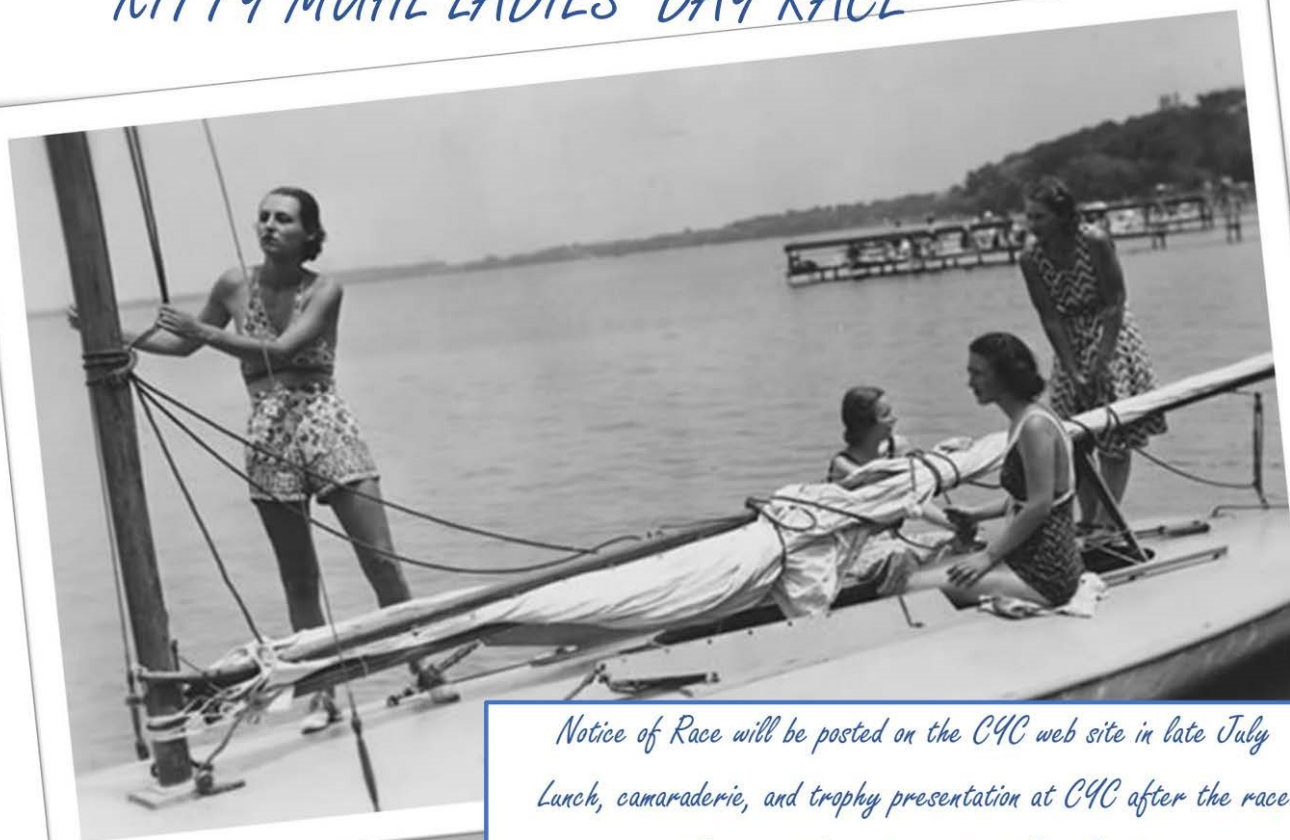

By Flag Member Anne David

**W**e have a date – Sunday, August 20! It isn't too early to start planning for your participation in the annual Kitty Muhl Ladies Race. Let's build on the last few years' success with even more boats and more sailors competing.

The format will likely include marks in both North and South Bay with a club start/finish so CYC members can watch some of the action from the club. Crews may be all women or co-ed. With enough registered boats, we will be able to run multiple classes rather than using rating offsets. Sailing/racing experience is a plus but NOT required. More than a few new CYC members indicated their interest in sailing during their membership interviews over the last few years.

## SUNDAY, AUGUST 20, 2023 KITTY MUHL LADIES' DAY RACE

*Notice of Race will be posted on the CYC web site in late July  
Lunch, camaraderie, and trophy presentation at CYC after the race*

*For more information, contact Anne David*

## AMAZING RACE!

On your mark—get set—GO! You say you want FUN while supporting a great cause? Well, here's your opportunity. One of our yacht club's goals is to give back to the community, so I am proud to announce that CCYC will be hosting the **2023 Make-A-Wish Amazing Race on Sunday, September 10<sup>th</sup>**. The 14<sup>th</sup> annual event is sure to be a ton of fun as it has been in the past. We hope to be even more successful in fundraising than we were last year and have set a goal to raise \$100,000.

For those who may not be familiar with this event, it's an energy filled day where both bike riders (teams of ten) and boaters (typically teams of 6-8 people) compete in friendly challenges while raising money for **Make-A-Wish**. We have a luncheon at CCYC, along with raffle prizes, silent/live auction items, music, and amazing speakers. **Make-A-Wish San Diego** grants wishes to children diagnosed with critical illnesses in our community. There are currently over 300 local children in the process of receiving a wish and every dollar we raise helps make their wishes come true.

The planning committee has been meeting for the past few months and we already have commitments from seven bike teams and two boat teams. We are looking for more bike teams and boat teams to participate in the event, as well as volunteers, silent/live auction donations, and financial headline sponsors.

We look forward to the 14<sup>th</sup> annual Amazing Race event in 2023! Please check out the website [The 14th Annual Amazing Race For Children's Wishes: Learn More - Make-A-Wish Foundation](#) and/or contact Lisa Brenden at [lbrendenccyc@gmail.com](mailto:lbrendenccyc@gmail.com) or 619-865-3885 (cell) with questions and you interest in participating in the event. Thank you for supporting this important cause and we look forward to seeing you there!

# Coronado Yacht Club Juniors 10th Annual Casino Night July 15, 2023

We believe in our kids and believe they deserve the best equipment we can offer. Our goal this year is to raise enough money to purchase two c420's for the Junior Sailing Program. We would like to offer you the opportunity to help underwrite our fundraiser and at the same time promote your business. Here's how:

**1- Casino Table Sponsorships** -Tables are available for businesses as well as individual families. Table tent cards with the sponsor's name/logo will be prominently posted. We will also add your artwork/logo on the 'sponsors page' of our website. Card tables are \$500 each, roulette tables \$600, craps tables \$600 for each end, DJ \$600, Dessert Table \$600 Hurry! Contact Jill Powell at (619) 435 0522 or jroffice@coronadoyc.org

**2- Opportunity Drawing**-If you want to make an impact, this is the way! We are accepting donations for the Opportunity Drawing at the end of the evening. Sails, wine \$25 or more, vacation home for a long weekend/week, cocktails, and dinner on your boat.... Now is the time to cash in those "favors" from business associates, friends, and relatives!

**3-Attend the fundraiser**-You and your friends are invited to spend a fun-filled evening at the club. This is a fun night out! "Remember what happens at casino night stays at casino night."

My tent card(s) should read:
