General Manager's Report

By GM Pete LaCava

First, thank you for an amazing Summer! We have had so many great opportunities to see all our Members come in and enjoy the amazing food from our Chef Meghan! She deserves a big round of applause as she continues to make some delicious items not seen on our menu before. As we head into the Winter and Spring months, let us remember to make our reservations early and often for our dining plans. We look forward to serving our Members by creating more amazing items during the quieter seasons.

We are introducing a new Point of Sale System to improve our food service and timing. This new system will be implemented over the next few months, and we will be able to create a more fluid system. We will have an upgrade to our ordering by providing handheld devices allowing our staff to place orders with more consistency tableside. Our current operating system does not allow for managing our Cost of Goods sold and this will provide us with a better system to track food cost, beverage cost and inventory, resulting in what is predicted to be a 3% drop in Costs overall and a reduction in Labor. Our goal is to increase revenue and lessen wait times by being more efficient. We hope by doing this we will create a more consistent dining experience.

Second, we have several Workshops coming up that will help us to manage our financial operations and run our Club in a more efficient way. As we are currently working on our Budget for 2024 we encourage the members to assist in the process by attending committee meetings and listening to what is on the table. Many of the items we will discuss have to do with how we will manage our Club and our funds to ensure we are getting the service we desire. Everyone can make a difference if they take the time to come to the Club to "Speak Up!" We started the year with our motto as an operational team of "Lets make this our Members Club". We want to create a Club worth having for a long time by creating the Club we want to provide for our Members!

Lastly, please come out to the Annual Meeting in November to cast your vote for a Club Experience you can get behind! We are getting ready for the holidays with Halloween, Thanksgiving, Christmas, Chanukkah, Kwanza, Winter Solstice and New Years right around the corner. We will need volunteers for all these wonderful parties. We will need a lot of Support for our Entertainment and will be looking to get you involved. A Big Reminder – Our Casino Night is Coming up in November 4th and we are looking to crush it for our Junior Program. Lets keep it going for the Jr's as they will be our Legacy at the Club!

We look forward to having a lovely time this winter and spring with you all!

Pete

Finance Committee Re-

Although I report monthly at the Board of Directors meetings, on the second Thursday of each month, on the activities and progress of the Finance Committee, I suspect that most members do not attend nor read the Finance Reports that are on file in the Club Office.

We have learned from recent Workshops that transparency is a big issue in the Club, and I would like to provide a brief summary of the projects that the Finance Team has been working on since I took over as Chair in December 2022.

#1. The first issue was to establish closer working relations with the financial institutions where we conduct our financial business. We were not happy with our former banking relations and sought a personal relationship with both our banks that handle our operational accounts and our Reserve accounts.

Our financial team of professionals (**Bill Huck, Tom Vessey and Gerral David and I**) sent out a Request for Proposal (RFP) to 8 financial institutions in the area with criteria that we felt we needed to operate efficiently, seamlessly, and on a personally basis with our bankers. We Interviewed 4 companies of various sizes and scopes, finally deciding to choose Merrill Lynch for our Savings and Investment accounts and Bank of America for the operational bank accounts. (Both are part of the same financial organization and are linked seamlessly). This choice gave us a personal point of contact with each institution and the ability to easily transfer money between the savings and checking accounts with the ability to invest our Reserve funds with our investment manager at Merrill Lynch at an attractive rate with reasonable safety.

#2. Transferring our accounts from our old institutions to our new institutions was not an easy task but is nearly complete and we are operating well with them.

#3. We initiated a Capital Budget Project to help evaluate and budget for major projects and predict large expenditures on capital equipment within the club and for which there was no budget to pay for items such as replacement of a new food fryer in the galley, repair our antiquated bathroom and drain plumbing in the clubhouse and docks, replace the unsafe and rotting porch rail to name a few.

Our Capital Budget Team, (**Gerral David, Paul Baribault and Shannon Nevitt and I**) have established a budget and set priorities for these projects. This will be integrated into the operating budget where we can plan for these expenditures and also establish priorities on how and when to pay for these projects.

4. This year we have included a Financial Officer (**Kim Austin, CPA, and Flag Member**) who sits on the finance team and advises the Bridge, Board and Financial Committee on all finance issues. She has worked tirelessly over the past year to help sort out our financial issues and together with the General Manager, Accounting Manager, and a small group from the Finance Team, we have been able to publish monthly financial reports that represent an accurate picture of our financial status.

5. The General Manager together with the Financial Officer, Accounting Manager and another group of Finance Committee members have reorganized our past chart of accounts into 4 basic Business Units (1. Clubhouse and Operations, 2. Marina, 3. Food and Beverage, and 4. the Junior Program.) These, as accurately as possible, reflect the true revenue and expenses in each of these areas. This was one of the first steps in getting our financial accounts in order so that we can advise the membership in areas where we may need to adjust our income stream or cut our expenses, not only break even each month, but plan and save for future projects, emergencies and eventually for a new clubhouse.

Finance Committee Re-

6. The Financial Team, along with the recently established Strategic Planning Working Group is planning a series of workshops to advise the membership on our financial status in each Business Unit and provide options on how we can best reach our financial goals.

These workshops are designed to provide accurate information, provide financial transparency and planning options for the future.

These will be completed prior to the Annual Meeting in November. I urge all members try to attend as many of the workshops as possible because this meeting will be a pivotal event to help direct us for the future.

Just a reminder, all Finance Committee Meetings (the Monday before the monthly Board Meetings) are open to the Membership as are the Board Meetings.

I hope to see you at some or all the Workshops.

Very Respectfully,

Steven R. Schelkun
Vice Commodore
Chairman of Finance Committee

News from Chef Me-

I hope that you all have had a great summer so far and have enjoyed some of our weekly specials here at CYC.

We have been focusing on improving our Restaurant Service in the following ways;

We have scheduled MODs, Manager on Duty, on Wednesday and Fridays with a designated supervisor on Saturdays and Sundays. If you have any concerns or comments, please ask to speak with a manager so we can try and resolve any issues you may have.

We have staggered and limited our reservation times in order to accommodate all and be able to serve in a timely manner. We have adjusted this to having two seating with the first being at 5:00pm and 5:30pm and the second at 7:00pm and 7:30pm. Thank you for understanding while we figure out what works best for the club and how much our kitchen and staff can handle and without being overloaded and providing poor service.

Also, management has been conducting one-on-one meetings with each restaurant employee to review any areas of concern or of opportunity. We are in the process of hiring experienced servers and bartenders. We are introducing an outside bar on Fridays to help reduce bar wait times. We have implemented a monthly secret shopper to review the CYC dining experience and create consistency with the steps of service. We are also in the beginning process of introducing Toast POS system to improve both the member and staff experience.

I would love for members to send in any favorite recipes so we can showcase them in our weekly specials. Please send to Mmckee@coronadocy.org.

Please visit our weekend to go window for tasty breakfast treats to healthy nutritious salads. The window is open from 9am-5pm.

We have some new exciting wines, and we hosted a wine tasting last Wednesday to sample some of these new wines. Please see your bartender or server for more details.

We are working closely with Emerald Keepers and our own green committee on improving our sustainable practices. Here are a few examples of what we have been working on - We are in the process of removing our plastic bottled vending machines. We have removed MOST plastic from our establishment and are currently seeking new products to replace our 16 oz to go cups which is the most used cup in the club. We offer many vegetarian options since nonmeat choices help reduce methane emissions caused by livestock. We are composting in our new garden area so any scraps from our kitchen prep goes directly into the compost bin. Non plastic straws should be provided upon request only. We are replacing our plastic to go utensils with bamboo and only on request. Our to go portion cups have been replaced with a plant-based cup and lid. We have laminated our menus to allow for easier reuse. We will continue to make this top priority and will keep you updated on this transition.

Please stop by the garden to see what it is growing! Thank you to **Tom Christiansen and Rose Ann Krock** for their hard work and dedication to this garden. We can now proudly say from the CYC garden to your table.

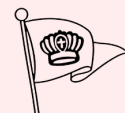

Happy Eating!!!

From the Green Committee

By Green Committee Chair Rose Ann Krock

Coronado Yacht Club Green Committee has a thriving garden located to the rear of the club, behind the old board room. The Chef's Garden is actively being worked on by the committee and resident green thumb and expert gardener member **Tom Christiansen**. **Tom** upcycled old wood and made raised bed planting boxes for some of our new vegetables.

Together with **Dave Krock** and his assistant "me", we filled the raised beds with a ½ yard of good old Coronado dirt mixed with enriched soil and the very lovely addition of steer and chicken manure. We have tomatoes, varieties of peppers, squash, carrots, beets etc. Which will make for delicious additions to your plates when you dine at the club.

We welcome some additional help from anyone interested. Please reach out to the front office and leave your information. We are also planning a Garden Party fundraiser, stay tuned for details.

We want to thank everyone who helped collect trash for the San Diego Working Waterfront's Operation Clean Sweep which was held in August. It is our continued mission to keep the Bay and surrounding areas clean of trash and debris of which we are a contributing factor. This is an annual event, and we encourage member and community participation.

We love our new railing system, however, since there is no skirt board at the bottom, trash now blows directly into the water. If you could please be mindful of blowing napkins and paper goods and pick them up before they end up in the water, your assistance is much appreciated. The club management is making changes to address the issue, with laminated menus and framed dinner special cards. Please also request stemware from the bar in lieu of plastic when possible.

Thank you for all you do to keep Coronado Yacht Club and the Bay clean and green!

Flag Members Tom Christiansen and Dave Krock helping with the CYC Community Garden

Monday Night Football Up-

MONDAY NIGHT FOOTBALL IS ALMOST HERE

It's that time of the year again! Monday Night Football season is coming!!

Every Monday night, starting on September 11, 2023 dinner will be served at 6:30pm, a.k.a. Half Time for only \$9. Dinners include an entree, vegetable or salad, and dessert.

Dinners are prepared by fellow club members, and the Monday Night Football Committee reimburses the cook up to \$300 for the meal (usually an average of 50 people).

Get creative, go gourmet!!! Sign up at the front desk and be a part of the fun!!!

The season will begin with the Monday Night Football Committee cooking up our traditional Brats and Tots on September 11th.

Come join the fun!!!

Boat Standard & Safety Report

By BSSC Chair Susan Schelkun

From the BSSC:

Lately we have several emails returned to us when trying to reach slipholders. If you have changed your email, changed your phone number, gotten rid of the home phone and are just using your cell phone, would you please inform the office. It is our way of communicating with you.

Dry slipholders please review the rules and regulations of what is allowed in your slip. We understand that many of you have lots of toys. However, some of these will need to find a new home and not be jammed into the current slip. We need to keep our dry slips neat and orderly.

Meet your Neighbors! Here are the most recently awarded slips:

Member	Slip
Toby Fuller	XB-17
David Karnas	C-35
Janice McElroy	AW-13
Wayne Hunter	AC-2
Travis Wilson	AC-27
Mark Surber	AA-13
John Gumb	XD-5
Scott Van Vugt	AW-12
James P. Harrington	AC-18
Tim McCue	AC-28

Slip AC-6 Is to be awarded this Monday, August 28th

Waves and Words

By Chaplain Gary Boggs

As I sit at the keyboard contemplating great words of wit and wisdom, I find myself in the dilemma of realizing that it's August and I'm about to write something about September and October. Things can change so quickly, Ah, the risk of writing for a publication deadline! Summer is only half gone and I'm trying to write about the coming of Fall, yet my mind is still in July! By the time this edition of "The Whisker Pole" is published, we'll still have three weeks of "official summer" left, so let's enjoy every minute of it! Things do change like the seasons of the year. The days come and go and the changes that come our way fold into the cycle we call life. Summer turns into Fall, and Fall gives way to Winter, which turns to Spring and the cycle continues itself. So here we are enjoying the last warm days of Summer knowing that all too soon things will change again! The older I get the more I seem to resist change, I like my "routine," and then along comes life with some sort of change to that comfortable routine and I have no choice but to roll with it! Sometimes the changes are slight and sometimes they are enormous, but either way we must deal with them. If it's true that life is one continuous change, then the big question is: "How do we handle the changes?" Do we roll with the punches, adapt as we are able, take them all in stride, or seek help from an outside source? Guys tend to take the "I got this, don't worry about me" approach. For example; Guys would rather take a beating than ask for directions?? Right? The ladies on the other hand are usually more than willing to ask for help! I have wondered at times whose approach is the wiser??

Dealing with changes sometimes causes us to step outside the box of our routine and stretch our foundation of faith. There are some big questions that arise in times of trials and tribulations, like: What do I really believe about life and why, or is there more to this than meets the eye? Am I going to put my trust in something that is constantly changing, or do I look for something that is rock solid and unchanging? In my line of work and life experience, I'm bettin' on the rock-solid stuff! Yes, you all knew it was coming, That Word of God thing: From the Old Testament book of Malachi, God says: "I am the Lord, I do not change." It's good to know that there is someone we can turn to in the face of change, someone who is rock solid and will always be there, willing to help. Have some changes going on in life? Go to the One who can truly help and never change! Putting faith in something or someone outside of ourselves goes against the logic of the world, but if we look around us there doesn't seem to be much if any tact, fact, logic, or common sense from the world these days. I think it's time to look to the only source of truth and wisdom, the source that never changes and is always consistent! I hope your Summer has been filled with fun and adventure: As always: Be kind to one another, take care one another, and love one another. May you have fair winds and following seas! Chaplain...out.

All Hands on Deck

By The Historic Committee

Got a good story from a time gone by? Maybe funny...maybe crazy... or just interesting...all part of our yacht club history! We'd love to hear it... and it's easy to share by just stopping by the Front Office and picking up a form that provided the space for your thoughts of the past.

We want to keep these memories of our club for all those who will come after. Please help us do it.

Thank you!

Membership Committee Report

By Rear Commodore Ken Wilson

Hello CYC Members,

It is hard to believe that it is already mid-August as I write this. Our club has gone through some incredible growth and change over the past year and I'm proud of the progress we've made. I'm also proud to report that our club is vibrant and we continue to be a our membership cap of 650 with a LONG waiting list of 197 individuals/couples/families who wish to join CYC.

Club Workshops:

Membership participation in the club workshops is critical to ensuring we as a board and committee get an accurate assessment of your thoughts, expertise, and criticisms regarding the club management and direction you want to see the club go in.

I attended the Marina workshops on both August 12 and August 15 and was very pleased to see over 115 different members attend. I cannot thank the multiple individuals who contributed to such a polished presentation enough. Special thanks go to our **Financial Officer, Kim Austin (Flag Member)**, our **GM Pete LaCava**, and our **presenters, Paul Baribault (Flag Member & Finance Committee Member)**, **Anne David (Flag Member & Membership Committee Member & Race Committee Member)**, and **Gerral David (Flag Member, Finance Committee Member, & Race Committee Member)** for spending literal weeks of their time to make our club finances as clear and transparent as possible. Their service to the club has been and continues to be invaluable.

I wish to remind and invite all members to the upcoming workshops. I will be presenting at the Minimum Participation Workshops on September 12, 2023 and September 16, 2023. You can look forward to some very interesting data regarding club usage and participation in the bar and restaurant and an exchange of ideas on how to ensure that those business units are primed to be better than ever so long as the Club Members support them.

After those workshops, all members are invited to attend the workshops on the full budget on October 4, 2023 and October 14, 2023 wherein the feedback from the Marina and Food/Bar workshops will be incorporated into the full budget so members can provide feedback on service levels desired within the club, costs and expenses, and see the amazing progress that the strategic planning working group, planning committee, membership committee, and finance committee have made on incorporating all of the ongoing and anticipated costs into a comprehensive – and accurate – operating budget. If you thought the Marina workshop was an impressive feat of work, hold onto your hats.

Membership Committee Report

By Rear Commodore Ken Wilson

Finally, in late October, we will hold two workshops to discuss the proposed bylaw changes which will incorporate the ideas discussed in the above workshops to put this club in a sound financial position for our current and future members.

Junior Membership Reminder:

Membership Committee wishes to remind all that Junior Members who are approaching the age of 25 that you **MUST** make a decision to flag up (to Full Flag or Junior Flag status), seek a deferment, or leave the club ***before*** your 25th birthday. (See CYC Bylaws at Article II, Section C, Subsection 4) Junior Membership will ***automatically*** terminate on your 25th birthday.

Those Junior Members who choose deferment have until their 35th birthday to flag up or their membership will automatically terminate.

The Club Staff will make efforts to remind Junior Members and their parents of these requirement but it is ultimately the Member's responsibility to follow our Club bylaws.

Upcoming Membership Committee Meetings:

All members are welcome to attend any Membership Committee meeting. The Committee meets on the first Thursday of every month at 6:00 p.m. The general outline of our meetings is to discuss any membership issues that have arisen over the last month and vote on same if necessary; discuss the state of the club membership and provide recommendations to the board regarding membership issues; discuss potential incoming members' backgrounds, interests, and recommendations; and then we disperse to conduct membership interviews if any are scheduled for that month.

The poster features a dark blue background with a stylized white wave pattern. At the top left is the Coronado Yacht Club logo, which includes a small flag and the text 'Coronado Yacht Club'. The main title 'Volunteers Needed' is written in a large, white, serif font. Below the title, the text 'HELP MAINTAIN THE CORONADO YACHT CLUB TROPHIES BY BRINGING THEM UP TO DATE AND KEEPING THEM SPARKLING!' is written in a smaller, white, sans-serif font. Further down, the text 'NO BOATING KNOWLAGE NEEDED!' is written in the same font. At the bottom, there is an illustration of a person in a white shirt and blue pants kneeling on the ground, polishing a large gold trophy on a small wooden table. Another gold trophy is visible on the table. At the very bottom, the text 'TO VOLUNTEER EMAIL CYCFRONTOFFICE@CORONADOYC.ORG OR CALL 619-435-1848' is written in a small, white, sans-serif font.

From the Junior Club-

Fall registration is open, not the big rush I was hoping for, but everyone is on vacation and waiting for school sports schedules to come out! Here are the classes we are offering for fall after school from Sept. 5th to Oct. 13th.

Tuesday: Bronze Sabot age 8 to 11 time 3:30-5:30 (Must have taken scallywags to start bronze at 7 1/2) Bronze is a learn to sail class for young sailors age 8-11 with little to no experience in sailing. Sailors learn in the Naples Sabot, a singlehanded dinghy. Bronze class offers the opportunity to learn fundamental sailing skills in a fun and challenging environment. The curriculum covers safety, sailing skills, boat parts, terminology, knots and rigging. The environment is kept fun, light and above all-safe. Requirements: life jacket, water shoes, towel, and water bottle. Fees non-members \$225, members \$180.

Wednesday: Sabot RACE TEAM age 8-15 time 3:30-5:30 This team can travel to Regattas. They will work on racing skills, teamwork and taking care of their boats. Sailors should plan on participating in all travel regattas. Regattas in September, Fall Gold Cup NYHC 9/9-10 and JR Invitational SDYC 9/23-24. Requirements: life jacket Fees non-members \$225, members \$180.

Thursday, Silver Sabot age 8 to 11 time 3:30-5:30 Silver sailors with an intermediate level. Sailors are eligible to enroll when they have successfully completed the bronze level. This class blends sailing skills with several important seamanship skills including boat handling, safety position and upwind sailing. Requirements: life jacket, water shoes, towel, and water bottle. Fees non-members \$225, members \$180.

Thursday: Gold Bic age 8 to 13 time 3:00-6:00 The curriculum focuses on refining the skills learned in both Bronze and Silver, while introducing fundamental race skills and knowledge. Requirements: life jacket, water shoes, towel, and water bottle. Fees non-members \$225, members \$180

Friday: FJ Teen Class 4:00-6:00 This is a fun class for teens to learn double handed sailing, sailors will work on starts, teamwork and racing. Great class for building upper body strength, learning to sail a little faster boat and having fun. Requirements: US Coast Guard approved lifejacket Fees non-members \$225, members \$180.

420/ Perry regatta, 420 practice, Sunday 9/3 12:00-4, Fridays 9/8, 9/15 and regatta 9/ 16-17 @ CBYC, boat charters and coaching Fees \$200.00

INTEREST LIST FOR Coronado High School Sailing Team: Coronado YC host the Islanders sailing team here at the club every Wednesday for practice. If you go to Coronado schools and are in 8th grade or high school and want to know more about sailing team, please sign up here so I can send you the 2023-2024 info for CHSST. I should have all information by Mid-August if not sooner. Practice will start August 29th.

Mark your calendars for Casino Night on November 4th. Thank you to all our sponsors and everyone else who donated to us, every amount helps us get to the \$25,000.00 goal for 2023. Please contact Jill Powell jpf-office@coronadoyc.org if you would like to help with this event.

CYC Race Team Summer 2023 recap

During our first week of camp our sabot squad worked hard to prepare for the Summer Gold Cup hosted by Newport Harbor Yacht Club. **Karoline, Jackson, and Ryker** all competed in a gigantic C3 fleet of 36 Sabots and excelled! **Karoline** placed 3rd and moved up to C2! All three were able to gain valuable experience navigating large fleets in current. **Bella** sailed well in the C1 division with multiple finishes in the top 3 and ultimately ended her day in 7th.

Tommy, Preston, and Trey sailed in the US Sailing Area J Sears Triple Handed Qualifiers out of SDYC, only 6 team but everyone had a great time and learned a lot on the J22's.

From the Junior Clubhouse

By Jr. Director Jill Powell

Lina and Celeste traveled out to Brant Beach, NJ to compete in the C420 Women's North American Championship! "The conditions were super difficult, but we really felt like we were able to showcase what we had learned over the past couple months." - **Lina Carper** who was awarded the Nancy Letter trophy of sportsmanship. The second stop on their east coast tour **Celeste and Lina** also competed in the Leiter regatta in Bristol, RI. "(It was) an awesome time learning from all our coaches alongside other women and making really cool connections." - **Lina** "The best part is always getting to make friends with other girls that we'll sail against the future." - **Celeste**. We are very proud of our girls for making the trip out east and experiencing life on the other coast.

CYC hosted the Sabot II South Championship right here in Glorietta. This is a 12 years and younger event, CYC had 5 juniors racing. **Karoline, Erica, Jackson, and Luke** all competed against some very stiff competition that included no less than 4 A-freeters that would go on to make gold fleet in Sabot nationals. With ideal conditions we were able to get through 6 races with 27 sabots on the starting line giving our new sailors great experience.

CYC partnered with SDYC to put the 50th Dutch Shoe Marathon in the books. **Bella C.** had an amazing start and was first to round the windward mark earning a Dutch Shoe! **Chuck Eaton** represented CYC well earning 2nd overall! Out of 171 boats registered, CYC sent the following sailors, **Jackson Dewey, Chuck Eaton, David Hochart, Molly McKay, Scotty McKay, Ryker van Waay, Peter van Waay, Sebastian Clarke, Greg Eggstaff, Jack Doren, Trey Gregory, Preston Miller, Isabella Cason, Crew Fritsch, Max Olson, Thomas Rall, and Jillian Thrasher**. There were huge challenges along the way including a hole the size of Texas by the bridge and a restart after the channel crossing due to commercial traffic. But everyone arrived safe and sound in Glorietta at the end of the day.

Kevin Cason had an exciting summer abroad racing 29ers on a European Circuit with his SDYC partner Holland. The young duo made CYC proud winning the silver division at the Typhoon UK Nationals Championship. "It was very windy with gusts up to 20 knots and the starts were super hard. In qualifiers we managed to get a bullet and some good races but since someone crashed into us on a start, we barely missed the gold fleet, so we set our goals on winning silver. Thankfully we did and we did it by winning the fleet by 44 points" -Kevin.

CFJ Nationals was hosted by California Yacht Club in Marina del Rey. Racing out in the ocean **Juniors Tommy, Preston, Sebastian, and Evangeline** persevered through 3 days of racing in a wild variety of conditions. This was **Sebastian and Eve's** first major event, and the sibling duo finished every single race and fulfilled all the goals they set out to achieve!

We ended our summer with Sabot Nationals up in Newport Harbor Yacht club. CYC sent two juniors, **Isabella C and Fiona Toohey** who both gained very valuable experience dealing with traffic, U-Flags, and pressure from a major junior event. Both girls sailed well all three days and we are especially proud of **Fiona** who showed great tenacity at her first major event.

Regattas in September,

Fall Gold Cup NHYC 9/9-10

JR Invitational SDYC 9/23-24

Perry 420 9/16-17 @ CBYC

Thank you for all the support, we are looking forward to a fun fall season!

Rod & Reel Report

By Rod & Reel Chairs Rod Nystul & Mike Copp

The dog days of summer are upon us. As I write this, humidity is on the rise and a hurricane from the south threatens rain this weekend. That is great news! The dog days are also the Fish days of August and offshore fishing is in full swing. Storms from the south help push even warmer water into the Southern California Bight, bringing along more pelagic species. Bluefin tuna have mostly moved up the coast towards Santa Barbara, but yellowfin tuna are starting to show west and south of the Coronado Islands. Yellowtail, barracuda and bass are all biting at the Islands, and even along the kelp off Pt Loma. San Diego Bay water has warmed quite a bit, but there are plenty of opportunities to catch a variety of fish just a short paddle from Glorietta Bay. **Al Thomas** has been working his usual magic, as seen by this impressive Big Bay halibut:

Flag Members Tom Al Thomas with his Big Bay Halibut

Rod & Reel Report

By Rod & Reel Chairs Rod Nystul & Mike Copp

Aaron Vernallis took his boys and their friends fishing and ended up in an epic struggle with a big Bluefin tuna on light tackle. After a few hours, the boys finally persevered.

Flag Member Aaron Vernallis and friends

Tuna fishing can be a bit of a blood sport, but **Aaron** has plenty of photos of the delicious sashimi and sushi that soon followed, upon request.

The “Fish Board” is starting to fill up with multiple new entries, as we slide into the heart of the fishing season. A 31-pound yellowtail was recently logged, which is an absolute toad for our local waters. **Tom Christiansen** recorded a 35-pound Yellowfin tuna, when they made their initial appearance last month. Look for more yellowfin shortly, as temperatures rise even higher. Who knows, we may even see marlin and wahoo before the end of September.

Finally, please try to participate in our South Bay Combined Fishing Tournament on September 16th. We have posted flyers around the Club, with all the pertinent information. Fishing should be red hot by then!

As always, get out there and go fishing. Take along the next generation, so they can experience the thrill of catching fish in the ocean. And remember, without a picture, it’s just another fish story.

Tight lines,

Russell & Mike

Memory Lane

By Staff Commodore Charlie Allen

Remembering Our Top Sailors

I joined the Coronado Yacht Club at 17, in 1947. My first boat was a 22' in the water Star racer. Learning to sail her was a lot of fun and in 1948 I joined the SDYC fleet. It was composed of three world champions. All of their boats were dry stored and had light hulls and polished bottoms. Needless to say, I was an outclassed novice and basically trailed the fleet. I learned a lot, mostly at a distance. I was urged to get a new boat and keep it dry. My immediate goal was to go away to a topnotch college which I accomplished my third year.

Besides Stars, I sailed in the local Lightening fleet of almost twenty boats in South Bay with another longtime friend, **Ed Turner**. **Ed** was dominate among SoCal Lightening races. He has my nomination for best skipper from our club. I must also mention my best friend and mentor **Bee Kempff**. **Bee** was an ace handicap skipper sailing before 1958 in the 26" sloop Surprise and later the 36" Sunrise. Sunrise dominated the L36 class in the Ensenada race against the best LA had to offer for a while. They raced as a class within the race. I consider these two men valid candidates for best skipper! After these two came the spectacular Soling Olympic Gold Medal team of **Robbie Haines, Rod Davis, and Eddie Trevelyn**.

Since then we have had a number of top ranked juniors who have won national championships. Today we have **Willem Van Waay**. **Willem** is dominant in large boat fleets such as J-20's and J-24's on the East coast. How **Willem** manages to stay in the top three finishes in fleets of 100+ boats is truly amazing.

A part of mentioned successes of our club has to be due to the expert coaching of **Jon Rogers**. Jon ran our junior coaching for many years and is now coaching at SDYC..

So that's my story for now and I have enjoyed my 75 years of sailing and cruising. **-Charlie**

2023 Kelly Los Coronados Race

By Flag Member Anne David

Saturday, August 5, 2023

This year, 5 boats from CYC set out for the Kelley Los Coronados Race that takes racers from San Diego Channel Buoy 9 near Naval Base Point Loma out and around the North Coronado island and back for a 32-mile ocean race. The Race Committee of **Cheri Aegeter, Scott Buck, Anne David, Niamh Foley, and Mike Gaylord** were aboard **Scott's** boat Just Desserts to get the race underway. It was a beautiful summer day with 8-10 knots at the start with a flood tide that kept everyone 'honest' and behind the line until the start time for each boat. This was a pursuit race with handicaps applied at the start. Finishers reported their finish time to the R/C.

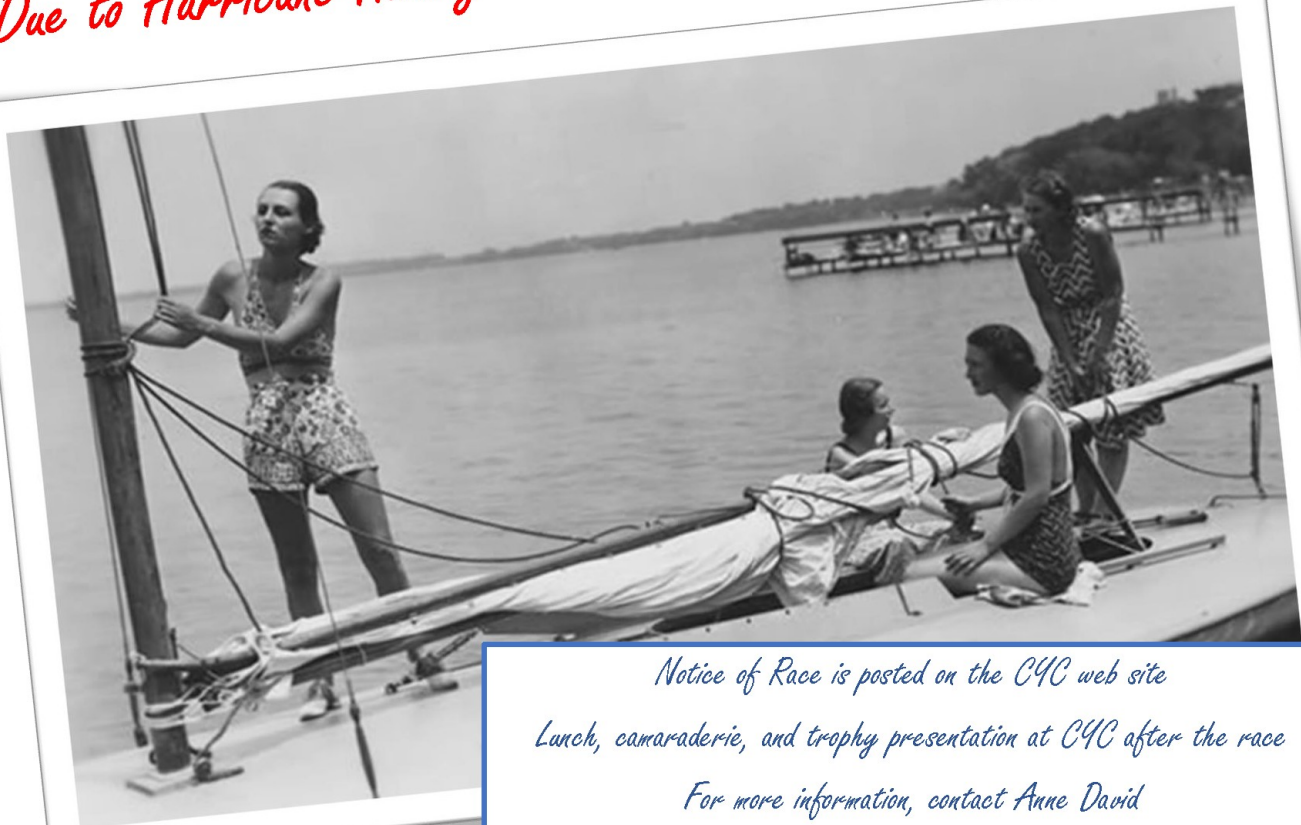

Thanks to the skippers who provided photos and comments on the event.

Melokia and Aurora decided they were having just too much "fun" when the wind went light and retired from the race after rounding the island. Here is Melokia approaching the island and **Mike Whittemore** at the helm.

AMAZING RACE!

On your mark—get set—GO! You say you want FUN while supporting a great cause? Well, here's your opportunity. One of our yacht club's goals is to give back to the community, so I am proud to announce that CCYC will be hosting the **2023 Make-A-Wish Amazing Race on Sunday, September 10th**. The 14th annual event is sure to be a ton of fun as it has been in the past. We hope to be even more successful in fundraising than we were last year and have set a goal to raise \$100,000.

For those who may not be familiar with this event, it's an energy filled day where both bike riders (teams of ten) and boaters (typically teams of 6-8 people) compete in friendly challenges while raising money for **Make-A-Wish**. We have a luncheon at CCYC, along with raffle prizes, silent/live auction items, music, and amazing speakers. **Make-A-Wish San Diego** grants wishes to children diagnosed with critical illnesses in our community. There are currently over 300 local children in the process of receiving a wish and every dollar we raise helps make their wishes come true.

The planning committee has been meeting for the past few months and we already have commitments from seven bike teams and two boat teams. We are looking for more bike teams and boat teams to participate in the event, as well as volunteers, silent/live auction donations, and financial headline sponsors.

We look forward to the 14th annual Amazing Race event in 2023! Please check out the website [The 14th Annual Amazing Race For Children's Wishes: Learn More - Make-A-Wish Foundation](#) and/or contact Lisa Brenden at lbrendenccyc@gmail.com or 619-865-3885 (cell) with questions and you interest in participating in the event. Thank you for supporting this important cause and we look forward to seeing you there!

Join us on National Wreaths Across America Day

December 16, 2023

Each December on National Wreaths Across America Day, the mission to **Remember, Honor and Teach** is carried out by coordinating wreath-laying ceremonies at National cemeteries.

Coronado Yacht Club is participating in a sponsorship program. Each wreath purchased with the link below, gives \$5 back to CYC.

We collected \$220 in 2022 which has been earmarked for a new playground!!

Join us by using this link anytime during the year to honor or celebrate persons you know or knew.
