

WHISKER POLE

From the Commodore

Commodore Tom Lyons

Happy August! July was a fun month around the club! The 4th of July weekend was festive to say the least. We had CYC members start and finish the Transpac Race, and Junior Members start and finish the Dutch Shoe Marathon.

In August, we have Sharp HospiceCare Fundraising weekend event, an event that is very dear to the club. The largest summertime water event on San Diego Bay—the annual Sharp HospiceCare Benefit Dinner and Regatta—will be held on Friday, Aug. 23 and Saturday, Aug. 24, 2019. Hosted by Sharp HospiceCare, Coronado Yacht Club and Cortez Racing Association, the event will support Sharp HospiceCare’s Homes for Hospice program, which offers a unique environment for patients with a life-limiting illness, to meet their needs in a comfortable home setting. All proceeds from the Regatta support Sharp HospiceCare, an organization that provides comprehensive care and compassionate support for patients and their families struggling with a life-limiting illness.

This year’s event is expected to raise \$400,000 for Homes for Hospice, Sharp HospiceCare’s initiative to build and maintain residential hospice homes. Since 2003, the event has raised over \$3,853,000 for Sharp HospiceCare.

The race portion of the event starts on Saturday at 1 p.m. at the east end of Harbor Island, winding around San Diego Bay and finishing near the Coronado Yacht Club. Competitors will race for a chance to compete in the 2020 Hospice Regattas National Championship in Charleston, South Carolina.

On August 30th, bags will be flying on the back lawn of the club during the Coronado Cornhole Classic - Annual cornhole tournament benefitting the Cystic Fibrosis Foundation, presented by The Werth Group & Island Carpets/Flooring, Flag Members **Dave Werth** and **Andre Pierre. Lindsey** and I will be participating with the team name “The Cobbodores.”

Lindsey and I are excited about the rest of the year! We will have the following events planned for the rest of the year. A Luau with live entertainment on August 10th, a Spanish Tapas, Paella and Sangria night with live entertainment on September 14th, an Oktoberfest with live entertainment on October 12th, and a wine pairing dinner with a date still to be determined.

From the Crow's Nest

By General Manager Lou Milioti

August is a very busy month for the club with plenty of activities to keep young and old engaged and enjoying your membership in the Coronado Yacht Club. In August we host two BIG charitable fundraisers: the 24th of August is the Sharp Hospice Regatta and 31st of August is the Corn Hole tournament benefitting Cystic Fibrosis.

We have resurrected the "GOOD OLD DAYS SNACK BAR WINDOW" which will be available until Labor Day. We have a To-Go menu available on Wednesday and Friday nights from 5:30 pm to 8:00 pm as well as a Weekend To-Go menu from 8:30 am until 2:00 pm. Our To-Go Wednesday and Friday evening menus can be picked up from the galley window and can be enjoyed ANYWHERE on the club grounds except in the dining room and front deck. It is even packaged well enough to be taken to your boat or home. The To-Go Wednesday and Friday menus have great items such as oysters on the half-shell, coconut shrimp, tacos, burger and much more. A full children's menu is available, with even ice cream sandwiches too. Simply place your order at the Snack Bar window and we will text you when it is ready. We will provide you with environmentally friendly to-go containers, disposable cutlery and napkins too.

I am currently working on the 2020 budget to deliver my first draft to the Finance Committee this month. Although I have spoken with the majority of chairpersons and program coordinators to find out their needs for next year, if you have something you think should be purchased by the club or budgeted for please drop me a line and share your thoughts.

On a more somber note, my INCREDIBLE Assistant Manager Ms. Lee will be leaving CYC after almost eight years of dedicated service to pursue her master's degree. Ms. Lee has been an integral part of the success of the club and greatly improved the efficiencies and modernization of the CYC office procedures since she joined our team in 2012. A farewell reception will be held in September so the membership can say thank you and Aloha to Ms. Lee.

Once again I want to thank you for allowing me the privilege of managing the day to day operations of one of the best Yacht Clubs in the world, made up of great members enjoying sailing, cruising, dining, charity fundraising and fishing.

As always should you have any suggestions on how myself or our staff can enhance your membership in the Coronado Yacht Club please let me know at LMilioti@coronadoyc.org.

Aloha,
Manager Lou

TO GO MENU WEDNESDAY & FRIDAY, 5:00 PM – 8:00 PM

BASKET OF FRIES OR ONION RINGS	5	TJ STYLE HOT DOG	10
		Hoagie roll, pico de gallo, chopped bacon & cheese. Includes: fries or onion rings.

Membership Committee Report

By Rear Commodore DeNardi

Another tremendous July 4th holiday is in our rear view. Did you catch the synchronized swimming demonstration in the turning basin? It was great! We really do have some talented members. Thanks **Nancy Blair** and the San Diego Sea Stars Synchronized Swim Team.

Now it's on to the dog days of summer. What a great time to get out and enjoy your yacht club. August is a favorite month of mine at the club. Bring on the 22nd annual South Bay Combined Fishing Tournament and of course the Rod and Reel Fish Fry to benefit the CYC Junior Program.

July was another busy month for the Membership Committee. We continue to enjoy waiting lists for both Flag and Social Memberships. We were fortunate to interview a new candidate for Flag Membership. Please encourage your friends to apply. In August we are going to fine tune some motions for the Annual Meeting. Please let me know if you have anything you would like us to help with November will be here before you know it.

We recently implemented a new reciprocal policy and have received some great feedback on potential improvements but we'd like more. Please let us know what you think.

2019 Kitty Muhl's Ladies Day Race

By Flag Member Anne David

We have a date – Sunday, August 18!

And we have a good number of boat owners who've put the date on their racing calendars! A few have indicated that they have room for crew. Some boats are shooting to have an all women crew. Others will sail co-ed. All are welcome.

Looking for ladies (of all ages) who would like to sail in the Kitty Muhl Ladies Race. Please contact me at anne.david829@gmail.com and I will do my best as match maker. Sailing/racing experience is a plus but NOT required. More than a few new CYC members indicated their interest in sailing during their membership interviews over the last few years. Email me and we'll do our best to get you on a boat.

ATTENTION CYC BOATERS

Please take caution on Wednesday night Beer Can Races!

If you are sailing in the Beer Can race,
please do not sail through the anchorage area by Sting Ray Point.

If you are anchoring by Sting Ray Point,
please be cautious of rogue sailboats and other vessels.

Rod and Reel Report

By Rod and Reel Chairman S/C Paul Dodson

Remember Saturday August 3rd, 2019 is the Southbay Combined Fishing Tournament. This tournament was established in July 1997 and is between CYC, CCYC, CVYC, and NYCSD.

Current standings are CYC = 11, CCYC= 6, CVYC = 4, and NYCSD = 0. If you are an angler, please plan to participate and help keep the trophy at CYC. You can view this trophy located in the trophy case by the galley door in the dining room.

If you have any questions or care to participate, please call **Paul Dodson** (Rod & Reel Chairman) at (619) 435-3943 or (619) 993 - 3943 and he will be glad to assist you.

Also Sunday, August 4th, 2019 is the CYC Annual Fish Fry and Awards Dinner for the fishing tournament the day before.

Yes, we will also hold another fundraiser for our CYC Junior Program. The process will consist of the sale of \$1.00 raffle tickets. The Fish Fry, the tournament recognition, and the fundraiser all make for a fun evening. We hope you can make this event and look forward to seeing you there.

Should you care to donate a raffle prize to the table, please call **Paul Dodson** and he will arrange to pick it up from you - thank you again.

According to "The Log", June 28th - July 11th, 2019, offshore anglers are seeing more and more pelagic fish move into offshore waters within easy one day range of Point Loma and the offshore angling possibilities in local waters now include bluefin, yellowfin, yellowtail, dorado, and stripped marlin.

There was also some news that would give Southern California anglers reason to hold out some hope of having some albacore move into local offshore waters at some point during the 2019 fishing season.

The albacore news is distant but gives reason to think some albacore could be on a more southerly path this season and the more southerly path might lead them into Southern California or Northern Baja offshore waters.

The first news about albacore came from the Western Fish-Boat Owners Association website. We can only hope the albacore arrive as it has been several years since we have had real albacore activity.

On July 6th, Flag Member **Scott Darnell** traveled off-shore, spear-gun in hand and returned with an 80.2 lb. bluefin tuna. Obviously, **Scott** had a very good day on his vessel "*Limitless*".

Then on July 9th, Flag Member **Tom Christiansen** traveled to the Kidney Bank on his vessel "*C-Notes*" and returned with a 20.5 lb. yellow fin tuna, caught on a 40 lb. test line.

Congratulations to **Scott** and **Tom** for their most notable efforts, both above and below the surface!

Port Captain's Report

By Port Captain Dave Flint

The 2019 July 4th holiday weekend turned out to be a fun and safe 4-day weekend at our Coronado Yacht Club. About 17 CYC members were able to obtain temporary wet slip assignments for their boats. Just a reminder, if you would like to be assigned a temporary slip for the 2020 July 4th weekend, go to the Office and place yourself on the Slip Reservation List. First signed up first served. Reservations could have been made as early as July 5, 2019. July 4, 2020 is on a Saturday. Lots of time for you to sign-up for a temporary slip for next year.

- 2. As wet slip holders, you are allowed to take a photo of you, your boat and the Coronado Bridge in the background and turn this into the Office to get credit for an underway.

Wet Slip New Assignments:

AC-3	30'	Michael Dowling	Better Slip List
AC-9	35'	Wayne Strickland	Ready Slip List
AD-4	30'	Michelle Kruger	Ready Slip List
B-30	30'	Roger Odiorne	Better Slip List
C-33	35'	Brian/Jaime LaRocco	Ready Slip List

Waves and Words

By Chaplain Gary Boggs

Greetings from the sun deck aboard *Oh Penelope III*! It's another "sweetly, sultry, summer day at CYC and I couldn't resist the opportunity to take full advantage of the view of Glorietta Bay as I share some thoughts with you all! Being a native So Cal boy, there is no doubt that summer is my favorite time of year and what a place we have to enjoy it! We're almost to the halfway point of our favored season and the frenzied pace of the beginning of summer has slowed a bit as we settle into a pace that lets us enjoy the fantastic assets of life in Southern California. The weather has turned warm, I hear that the fish are biting off-shore, (Thank you **Tom Christiansen** for the fresh tuna!) and there is still plenty of time for further vacation plans! We honestly have so much to be thankful around here. I try to keep that in mind and remember to be ever so grateful to the "One from whom all blessings flow!" Speaking of blessings, There have been a lot of new slip assignments around the club and that means that many of my prayers for those who have patiently waited their time have been answered! A fresh look at things gives the opportunity to realize how truly blessed we are and how good it is to see that the blessings are all around us.

Perched atop our sun deck, I see a world of activity going on that tells me that our club is especially filled with life and energy this time of year. I see a new generation of sailors learning their trade as kids head out every day in the junior sailing program. I see generations of families enjoying our outdoor spaces, and friends gathering to enjoy an environment centered on boating and being in, on, and around the water. It all speaks to me in a way that causes me to be jerked out of a state of complacency and be thrown into a wave of great thanks. What a great place this is! Let's all do our part to take care of and maintain our club and continue the legacy here at CYC and be sure to give praise and thanks where it is due! The beginning of Psalm 92 states: "It is good to give thanks to the Lord, and to sing praises to Your Name O Most High; to declare Your loving kindness in the morning, and Your faithfulness every night." Enjoy the rest of this great season and know that you are in my thoughts and prayers! Till next time: "May you have fair winds and following seas, be kind to one another, take care of one another and love one another". Chaplain... out!

From the Entertainment Committee

By Entertainment Chair Lindsey Lyons

July was a very fun month for Coronado Yacht Club members. July began with Fourth of July week which was filled with festivities and special entertainment and menus. On the 4th of July members enjoyed live bands and a spectacular buffet dinner before winding down with a spectacular fireworks show on the bay.

August is upon us, which means more fun on the water and social evenings at our beautiful yacht club. On August 10th the Coronado Yacht Club will be transformed into a tropical oasis complete with live Hawaiian Music, Hula Dancing and a Fire Show. Guests will be greeted with a signature cocktail and tray passed hors d'oeuvres. We have put together a delicious buffet menu for both kids and adults to enjoy. Children are welcome at this event and can enjoy a special craft: candy lei making. We hope to see all of our Yacht Club "Ohana" at this special event to help celebrate our 2019 summer season.

Make sure to join us to enjoy live entertainment outside by Ron's Garage on Friday, August 16th. The usual family fun will be available as well so bring down your BBQ or enjoy the delicious CYC menu available on this special night.

Up next there will be a "Spanish" themed event complete with Paella and Spanish Wines on Saturday, September 14th, a wine pairing dinner date TBD, and Staff Commodore Penny's Blue Crab dinner on Sunday, September 15th. More details and dates on the above mentioned events can be found in the flyers and in next month's article.

Make sure to sign up for these events by emailing coryclub@coronadoyc.org, stopping by and signing up in the book or calling the front desk at 619.435.1848.

Operation Clean Sweep

By Treasurer Harper Hatheway

Coronado Yacht Club is hosting **Operation Clean Sweep** in Glorietta Bay on **August 24, 2019** from 8 AM until 10 AM. OCS is presented by the Port Tenants Association.

Volunteers will be picking up the Glorietta Bay shoreline from Glorietta Bay Park to Stingray Point by foot, kayak, paddle board and dingy. This is a great opportunity for the club and community to give back by demonstrating the stewardship of our harbor.

Participants will receive a T-Shirt and all equipment to safely pickup and properly dispose of trash. Last year the event was a resounding success with volunteers from Club members and residents. There is a party following the event for all attending. Service hours are available for students and service groups.

There will be a signup roster and waiver for volunteers to sign at the Coronado Yacht Club office desk. Signup is also available online. More information can be found at the San Diego Port Tenants Association OCS website at <https://www.sdpta.com/operation-clean-sweep> or harperhatheway@gmail.com.

From the Jr. Clubhouse

By Jr. Sailing Director Jill Powell

Wow! What a month for the Coronado Juniors. We just finished the 2nd session of summer camp, the Dutch Shoe Regatta with 190+ boats, 80 boats racing in the Single-handed SDAYC Luff-in, and 41 Double-handed and Bic's sailing in South Bay. We wrapped up the 3rd Dick Sweet team racing at SWYC, started our 3rd and final summer session, and have four girls at the Ida Lewis Women's Championship at SDYC. All CYC sailors sailing to Hawaii have made it safe!!! I cannot thank all my volunteers, coaches, CYC staff, CYC board members and my family for all the help and support to make all this happen. Coronado YC is a great place and is doing great things this summer.

The fall sailing schedule will be out by August 2nd. We will offer sailing classes after school, 3:30—5:30 pm, five days a week. Classes will start September 16th and run until November 15th. All registration will be online.

The Coronado Sabot race team is heading up to NHYC the first week in August for Sabot Nationals. Good luck to **Tommy Rudowicz, Max Olson, Chris Rose, Preston Miller, Madi Anderson, Taylor Werth, Bella Loiselle, Stella Taherian,** and Kevin Cason.

CONGRATULATIONS...

... to **Preston Miller, Tommy Rudowicz,** and **Max Olson.** Great job in the SCYYRA Dick Sweet Team Race regatta.

... to **Crew Fritsch** and **River Paquin,** 2nd in Area J Sears Triple-Handed Qualifiers at SDYC.

... to **Bella Loiselle** and Mercy Tangredi, **Stella Taherian** and Sophia Shaeffer. Both teams did a great job in the Ida Lewis Jr. Women's US Championship at SDYC.

... to Kevin Cason, **Chris Rose,** Jade Schneider, Katherine Zohn at the Under-12 regattas.

... to **Ansgar Jordan** for 2nd at C420 North American Championship at SFYC.

... to **Tommy Rudowicz, Max Olson, Chris Rose, Preston Miller, Madi Anderson, Taylor Werth,** Katherine Zohn, **Mack Kirsner, River Paquin,** Krisof Middleton, Bjoen Norheim, Jeronimo Gomez-Ibarra, **Celeste Oder,** Sam Harvey, Bohlen Kuperschmid. They all sailed in the SDAYC Luff-in at Coronado YC.

... to all 23 sailors that sailed the Dutch Shoe Regatta, from SDYC to Coronado YC.

Stella and Sophia at Ida Lewis

All 4 Ida Lewis Girls

Coach Jon Placed 5th in Senior Division

Dutch Shoe Regatta 2019

Preston, Tommy, Max all placed in the SDAYC Luff-In in Coronado

Race Committee Report

By Race Committee Chair Glenn Welch

JOE MCKANE REGATTA: This series (four races) that began in June and completed in July had the following results:

CLASS ONE	BOAT	SKIPPER
First Place	ISLAND SURF	Manny Granillo
Second Place	SAILHOOK	Pete Andreasen
Third Place	ELUSIVE	River Paquin

CLASS THREE	BOAT	SKIPPER
First Place	ISLE RUN	Dave Flint
Second Place	SHAMROCK	Richard Gevirtz
Third Place	SHIBUI	Shawn Powell
Fourth Place	SARAYU	Mike Lewis
Fifth Place	INTRIGUE	Mike Dowling
Sixth Place	BONEJUER	Steven Schelkun

POP COWLEY FOURTH OF JULY RACE:

CLASS ONE	BOAT	SKIPPER
First Place	MELOKIA	Mike Whittemore
Second Place	SAILHOOK	Pete Andreasen

CLASS TWO	BOAT	SKIPPER
First Place	JABBERWOCK	Glenn Welch

VANITY SINGLE HANDED RACE:

CLASS ONE	BOAT	SKIPPER
First Place	ELUSIVE	River Paquin

CLASS THREE	BOAT	SKIPPER
First Place	AURORA	Curtis Milioti
Second Place	SARAYU	Mike Lewis

FUTURE RACES:

August 3	Coronado Island Race
August 9	Joe McGuinness 2/4
August 10	Crown Cup
August 18	Kitty Muhl Ladies Day Race
August 23	Joe McGuinness 3/4

SOUTH BAY CLUBS (SBC) CHAMPIONSHIP: Last year this regatta was won by the Coronado Cays Yacht Club and the previous year by the Navy Yacht Club. This year it is high time that we get it back. The championship is sailed October 13th. To be eligible to compete, a boat has had to participate in at least one of the SBC races. The last SBC race is scheduled for **Sunday, September 8, 2019.**

for more info

The second ocean cruiser navigation contest was held on Saturday, July 20 in the nearshore waters south of Coronado.

Our course began at red channel buoy "16" and led out the left side of the channel to the end of the Zuniga Jetty, where the first timed "Mark" was called, abeam of red channel buoy "08." We then turned to port for a 1.25 NM timed run before turning back to starboard for the second "Mark" being called when headed to the red channel buoy "06," and aligned with the extension of the Jetty.

The next legs led back east to the Navy mooring buoy "TG 1" and back again to red channel buoy "04" for the third and fourth timed "Marks." Final navigation instructions led back into the channel with the final "Marks" called at green channel buoy "07" and the Finish at green channel buoy "15."

The weather was morning overcast clearing early with plenty of sunshine by mid morning, providing excellent visibility for locating the various waypoints and "Marks." Accompanying this splendid weather was a stiff northwest wind between 10 and 20 kts. and the resultant wind driven waves made our passage a little rough against the wind and the waves. The flood currents in the channel seemed to be as forecast and did not surprise any of our Skippers.

When we calculated our scores, we were not pleased, as the wind-driven currents and resulting chop resulted in fast times going downwind, and slow times going against the wind. Our attempts to compensate for this environment during the contest were unsuccessful for most for most of us, and determined our final scores and rankings.

The Coronado Yacht Club team finished fourth, sixth and eight out of a total of 12 contestants. A respectable showing, but not as well as we had hoped. We will have another try at the ocean waters next month on August 24 for the third blue water contest out of four this summer.

From time to time I preach benefits of participating in these monthly cruiser navigation contests, including increasing one's knowledge of their boat and its systems. A prime example of these benefits was exhibited for me in preparation for this July contest. Having a single diesel engine Grand Banks trawler, I have always been careful to check all engine systems prior to each contest. Periodic checks and fluids / filter replacements based on engine hours or time intervals are all part of this preparation.

In preparation for the July contest I performed my scheduled annual engine maintenance tasks, and in particular, a planned replacement of my raw water pump impeller. During this task I found that my raw water pump had corroded and the seals had begun to leak badly. The integrity of the impeller was about to be compromised, and was next on the failure sequence. With a new replacement pump, this planned preventive maintenance possibly saved me from an embarrassing system failure on the water.

If you own and cruise a mid-sized power boat, consider learning about cruiser navigation contests by joining one of us on board for a "test" run. To get started, I will be more than willing to guide you step by step as you enter into this fascinating sport.

Welcome Aboard!

Canaling Quebec

by Charlie Allen

Long Time Flag Member and Staff Commodore

I am hoping this article will encourage someone to send me a canaling story from Europe. I have always wanted to do that, but I only got roadway access to the Garond Canal in South France to get glemseys.

This story is about a trip I made circa 2003, my only power boat cruise ever, in a 30' in 32' Grand Banks. The skipper was Tucker Cockwell and I had a portion of his "East Coast Circumnavigation". It is circling the East portion of the United States. His trip started at his home in Rockport, Texas and he "wintered over" in Annapolis, MD after getting that far. He had various crews and I got one of the best sections from Sheldon, VT on Lake Champlain, then North down the Richelieu River to the Saint Lawrence, west past Montreal and then up the Ottawa river to the Capital. The gem of this trip is transiting the Richelieu River with its 9 locks, 8 of these manually operated, which have been functional since 1900. The canal only operates in summer and requires a passage fee and a reservation and is operated by college age Canadian youths who hand crank the gates. The river runs straight north from the lake and a US raised bridge curves at the exit. Canadian Customs has a pier a mile or so from the line. Entry was easy. We just nosed the boat to the end of the pier, and I handed over our papers to the Canadian agent. He checked us in and handed back our papers and we proceeded north from the pier. That section was very peaceful and the west bank was bulk headed and was bordered by nice houses and large lawns each with a devil swing with awning next to the river. We went towards these properties and anchored for the night well clear and spent a restful night aboard in very calm conditions.

After breakfast, we proceeded north to our 1st lock experience and checked in for the transit. The dock accommodates three yachts about 35' average so maybe 150' by 25' and lowered us about 25'. The downstream gates had been closed earlier, and we were the middle vessel. The lock emptied and the doors were hand cranked open, and we passed out back to the river. There are few bridges on the Richelieu. Early on, we passed a swing bridge which did not appear in operation. After that in the farm country, it was chain ferries going from bank to bank connecting the two sides. The land was flat and the farming was intensive. The plain was extensive and had numerous small farm towns each with its duplicate twin spired church on the horizon. It was a time warp to the 1920's - 1930's.

We finally arrived at our 9th lock, the big drop, with the automated operation. As I remembered there were 3 locks dropping us about 100 feet. From there it was a short hop to the Saint Lawrence River, a new ball game.

We turned West on the Saint Lawrence and as the day waned, sought a berth on the South side of the river for the night. We found a Marina on the south bank and spent one night there and had a marvelous French dinner in a private house.

We then proceeded West following the commercial waterway and passed south of Montreal. While in the channel going West we encountered a large grain ship which forced us to the channel edge. I hope I don't experience that again. Seeing that big ship with a bow wave coming at you was scary. We spent a night at the east end marina and the next day started for the Ottawa River entrance.

This transit was a concern as we had no chart of the next leg. As a result, we tried to cross a shallow area and ran aground. We managed to get back to the channel and proceeded via a better chart to the Ottawa River Lock. This is a biggie, raising you from the Saint Lawrence to the Ottawa River level is a single lift of 80? feet or so. We powered into a huge space and tied up to a floating dock which was empty even though it could easily accommodate a large ship. There was a stairway on the end wall of many levels and light from the top which seemed to me incredibly small. No other yachts or ships arrived. They closed the bottom gate and pumped in water and our tiny boat with the dock rose with the water easy as pie. At the top, they opened a gate and we exited to the Ottawa River and proceeded North-West to Ottawa and our destination.

The River separates the provinces of Quebec which his French speaking, and Ontario which is, as the rest of Canada, English speaking. Ottawa, the Capital of Canada, lies on the West bank and Hull in Quebec on the right. As we came into town and reached the first Major bridge, we spied a nice looking marina on the East bank, saw empty slips and we pulled in for a guest night with check-in. The next morning, naturally we raised our colors and became "the American Boat" for the stay. We had several days before the next crew arrived so we took in a museum or two and a French meal in Hull, but only shared greetings with our dock mates. They had social areas on the docks with tables and BBQ's and I noticed cocktail hour in the evenings and the weather was perfect. But, of course, this was Quebec and English was not spoken. I knew this from my European travels. I also knew they could be marvelous friends if you "broke the code" - whatever that means.

So I made my evening cocktail, excuse myself from Tuckers company and went down to the French gathering where they were speaking French exclusively. I am sure most knew English, but they can be stubborn, but so can I. I listened and smiled and husbanded my drink and within 30 minutes I got my first English conversation. Shortly, sadly, I had to go to dinner.

The next leg was from Ottawa to I believe Kurgston on Lake Erie, a marvelous traverse on rivers and lakes. Anyone want to do that with me next year?

Need Storage?

*Coronado Mobile Storage
provides the Storage Room
That Comes to YOU!*

CONVENIENCE

We deliver a steel ocean shipping container that remains on a trailer at your site. You can load or unload furniture, books, sporting equipment, accounting records or anything you want to store. After the container has been loaded call us, to have it returned to our storage facility. When you need something your container can be delivered to your location or you can access it at our storage facility.

SECURITY

Our security far exceed that of most self-storage facilities. Our steel heavy duty containers are fire and vandal resistant. Most containers are stored "door-to-door", which makes unauthorized access very difficult. In addition like a bank safe deposit box, the containers can only be opened if both your key and our key are available.

SAVINGS

Coronado Mobile Storage provides space at rates that are far less than the "going rate" charged at self-storage buildings located along the coast.

NEED HELP LOADING?

We can provide you with a list of reliable people eager to help. These people are paid directly by you. All trailers are equipped with loading ramps and hand carts.

MONTHLY RENTAL RATE

8' x 20'	(160 Square feet)\$220
8' x 15'	(120 Square feet)\$192
8' x 10'	(80 Square feet)\$148
8' x 5'	(40 Square feet)\$126

DELIVERY CHARGES

South of Highway 56 and
West of Highway 67.....\$49

North of Highway 56 and
East of Highway 67.....\$110

CLASSIFIEDS/FOR SALE

For Sale: Avon 10' Dinghy 1983 but no holes or leaks. Call me see it. Has 1. Floor boards, 2. Two seats, 3. Oars, 4. Foot pump. Comes with a Mercury 2.2 horse power motor. 619-435-8227.

CATALINA 38 - We have purchased a new sailboat and don't want to be a two-boat family! Over the past six years we have made many upgrades, including: new lifelines, standing rigging, ProMariner charging system, furler (all in 2017), running rigging; new water pump, macerator, batteries, and more (2015). This is the vessel that was previously owned by Frank and Dudley Rockwell; it sails beautifully and the engine purrs like a kitten. Will consider all reasonable offers. Bruce and Cathy Liese—bliese@kumc.edu or 913-579-5039.

CYC Flag member looking for a partnership in a boat just for cruising and entertaining... If you are a CYC

Flag member and are not using your boat as much as you like and would consider a partner/co-owner please contact me... 619-435-5200... Very reliable, clean, responsible and experienced!

FOR SALE—Classic 1970 whaler with rebuilt and refinished wooden console and 90HP 2010 Yamaha engine. Very few hours of engine use. Comes with Aros trailer. Call: Marylee Goyan - 619-972-5158

Dear fellow CYC member, My wife Teresa and I are CYC flag members since 2016. We wish to partner with another member with a 18-26 ft power boat in a wet slip so that we can start creating family boating memories at CYC. We are happy to supply generous funds to defray overhead costs in accordance with CYC guidelines for the opportunity. We are good and honest people who just want a chance to enjoy the most important amenity any yacht club has to offer... access to the water. Sincerely, Martin and Teresa Bastuba, Sons: Alex, Ryan and Ben, 1502 Glorietta Blvd, Coronado, 619-889-1199

FOR SALE: FLOATING RAFT: Great as a dock for kayaks or paddle board, excellent for swimming and snorkeling. Not a toy, heavy-duty to be used as a work platform for yacht cleaning or maintenance. Made of same heavy-duty materials and can be carried by 1-2 persons or rolled on a folding hand cart for easy transportation. Place beach chairs or loungers and enjoy your own private island on the water. Great as a fun activity platform for yachts. Top surface all covered with large non-skid patch. Also can be used as a dock for a Jet Ski and small boats. Contact Flag member Scott Kaye. \$375 negotiable.

FOR SALE: Sabot with all rigging. Like new. \$300.00. Call Margaret Bartlett 619-466-5475
