HAPPY NEW YEAR!

Eagle's View

Commodore Dean Eckenroth & wife Nancy

The Change of Command dinner, thanks to everyone's efforts, was a huge success. From contemporary decorations to the excellent music, tasty food to enjoyable wine, it was all well done. **Dave Weimer's** recognition with the Greg Walker Award was well deserved, having previously won the Coastal Explorer Trophy from the North American Cruiser Association (NACA) as top scorer for 2017. Outgoing Commodore **Bill Sandke** presented **Tami** with an excellent bottle of wine; and showed class in singling out staff who supported him during his term as Commodore, rewarded his board in style and, in return, was presented with four deck chairs for he and **Tami's** boat. So, when the new S/C invites you to *CLARO QUE SEA* for a cocktail (hint, wink, wink), you'll have cushy new seats in which to rest.

I am energized by this new Board diving into the coming term; and responding so well in our attempt at creating a Director's Guidebook that will serve the Board into the future. To our new board members, thank you for volunteering your time in service and I enthusiastically welcome you to our important efforts.

We hosted the SDAYC Christmas Party and Change of Command this past Thursday, serving great food to an attentive crowd. Good to see such support for one of CYC's own … outgoing SDAYC Commodore **Jerry Lounsbury**.

Thanks to **Nancy** and her great Entertainment and Decorating Committee for transforming the Club into a Christmas showcase.

I attended the Challenger Sailors San Diego (CSSD) Christmas party after their regatta on Saturday, December 16 at Sunroad Marina. Now there is a group worth supporting. CYC's Sail Fleet chair **Jamie McArthur** does a wonderful job with and for this deserving group.

The annual club Christmas party on Sunday, December 17 was tastefully done and well attended. Always a pleasure seeing kids enjoy the holidays. Puts things into perspective. Staff did an excellent job taking care of member's needs while making sure all the kids had a great time getting their faces painted, singing karaoke and meeting Santa and Mrs. Claus.

And, congratulations to CYC's own **Robbie Haines**, who will be a Breitbard Hall of Fame Honoree at the Hyatt Regency in La Jolla during the 72nd San Diego Hall of Champions Gala on February 1st.

The hard working House committee, chaired by **Erin Miller**, continues to institute their fresh look. Suggestions are always appreciated. Please email Director **Robin MacCartee** at directormaccartee@coronadoyc.org with your great idea. He will funnel this to the House Committee.

A tremendous number of members signed up for our Mad Men 'Til Midnight New Years Eve party and the Annual Blessing of the Fleet on New Year's Day. For the eleventh year, *Eagle* was the stake boat with Chaplain **Gary Boggs** aboard with everyone getting their first underway done for 2018.

This month's definition: **COMMITTEE** … A body that keeps minutes and wastes hours.

Respectfully submitted,
Dean Eckenroth

From the Crow's Nest

By General Manager Lou Milioti

Happy New Year! I hope that your holidays were filled with joy and time spent with your loved ones. A few member enhancements were added to the club for you during this past holiday. The trailer mule for the dry slip boat movement has been received and is a very impressive machine. Please contact Fabian or I to be trained on the use of the machine. Once you are checked out on its use and can demonstrate that you can operate it in a safe manner and sign the appropriate waiver, you will be on the list to use it. The trailer will only be able to be used during CYC operating hours so plan for the use accordingly. Two new corn hole games and Jenga games have been added to our inventory for your enjoyment as well. These can be checked out by any adult member from the Bounce House attendants on Friday evenings or the office staff during operating hours.

Please join me on January 20 & February 3 at 0930 am in the CYC clubhouse for a marina electrical fee workshop. The purpose of these workshops will be to share with you the data we have collected of a cross sampling of slip sizes, slip occupant types, power/sail, and slip usage to help determine a fair SLIP FEE REDUCTION. I hope that through these workshops, we can receive enough feedback to create a motion to be presented at the 2018 Semi-Annual Meeting to adapt into the 2019 CYC operating budget. As I previously reported in my past articles, I have received confirmation from the Port of San Diego that we are able to remove from our monthly Port Rent calculation electrical pass-through to the CYC slips if each individual slip is metered and issued a separate bill.

Although the nights are longer and the days are shorter this time of year, your Coronado Yacht Club food service team is anxious to offer you some great dining options in the month of January. Our Prime Rib night will be on Wednesday, January 10th and our popular Lobster Tail night will be offered on Wednesday, January 17th, and on January 25th we will have a special Mexican Buffet available for you to enjoy. For those of you that have made New Year's resolutions to make healthier dining choices in 2018, please be aware that Chef Benito can customize your order to be served with double vegetables instead of starch, proteins can be grilled instead of sautéed or any other reasonable request to help you meet your goals. We also offer a very extensive soup and salad bar on Wednesday and Friday evenings that consists of over 30 items including fresh fruits & vegetables and home made soups.

Aloha
Lou

By Vice Commodore Tom Lyons

Happy New Year!

We held our first Finance Committee meeting on December 18th, 2017. Expenses are down and revenues are up. We are tracking to close 2017 with a favorable budget variance. Due to the great work of last year's Finance Committee, transition to new club accounting software, and our wonderful staff, our financials are very accurate and most reports can be produced with ease. As Chair of the Finance Committee, I expressed the goal to collectively manage financial decisions in a prudent and responsible way, look at opportunities to take costs out of the system without compromising the membership experience, adhere to the budget, monitor of internal controls and accounting policies, and continue to set up the club for financial success in future years. Our staff is already doing an awesome job adhering to these objectives; it is a great team effort and everyone's efforts are in sync with the same goals in mind.

Treasurer **DeNardi** provided a recap of current account balances. We discussed bank reconciliation and closing out the previous month by the following month's Finance Meeting. Treasurer **DeNardi** plans to review and think about expense performance throughout the year as he approves regular operational expenses.

We discussed expense performance analysis by department efforts and, although we have a solid budget plan for the year, I am a big believer that small improvements over time make a big difference, and examining expenses is always a good exercise. For example, General Manager Lou Milioti is in the process of researching vendors, bank fees, and credit card fees to identify ways to save money. Throughout the year, we plan to identify additional ways to reduce or eliminate certain costs, or find better ways of doing things, while not compromising the membership experience.

We discussed goals for 2018, ideas from Finance Committee, and Ad Hoc Committees.

Last year's Finance Committee developed a Rubric for temporary facilities and new clubhouse financing. Finance Committee Member **Bill Huck** provided a great recap regarding the thoughts behind the Rubric; we will continue to fine tune and add to the Rubric, depending on developments this year with the Port and Coastal Commission as we face a remodel or potentially a new clubhouse. As we face this transition, we will need to develop multi-year operating budgets that integrate strategic plan objectives and initiatives.

The Finance Committee will analyze marina electrical metered billing analysis and hopes to make a recommendation to the Board for consideration at the Semi-Annual meeting, depending most importantly on member feedback. General Manager Lou Milioti and will continue to evaluate, collect data, and share with the Finance Committee for review and discussion; we will have a Member workshops on January 20, 2018 and February 3, 2018.

We briefly discussed the 2019 budget. General Manager Lou Milioti's goal is to have a 2019 Budget Draft to the Finance Committee by August of 2018 for review.

We will continue to build on the Index of Decisions to log the thought process and details of all major financial decisions for future Finance Committees to reference.

We discussed our food service program and possible strategic improvements related to finance. For example, would membership want an enhanced food service experience and what are the costs associated with these improvements. Should we be open more days during the week? What does good look like when we have our remodeled or new clubhouse? What are the implications of initiating a use it or lose it program, once we are in a remodeled or new clubhouse. How can we increase utilization and productivity? Finance Committee members plan to bring ideas to the January meeting for discussion. We of course will involve and communicate with other committees such as Food Service, Planning and Building in any endeavors this year.

Finance Member **Bill Huck** brought up the idea that we should review Capital Improvement and Slip Replacement investments. Next steps are to follow up on report from Finance Sub-Committee on current asset allocations for a periodic review and discussion.

Respectfully submitted,
Tom Lyons
Vice Commodore

Port Captain's Report

By Port Captain Dave Flint

For those lucky **CYC members who have wet slips** at our marina please be aware our slip rules require you to file a Float Plan with our Office if you leave your slip for more than 24 hours. This enables us to assign your slip to CYC members who have boats in other marinas to your slip on a temporary basis so they can enjoy the same things you do as a permanent slip holder. Be considerate of members without slips and file a **Float Plan.** Thank you.

2. **The temporary shallow slips on the golf course side of C Dock** assignments **can now be rented for longer periods.** If you are interested and have a boat 18' to about 25' you can be assigned one of these slips on a temporary long term basis until the middle of May, 2018. These slips are then changed to 7 day rentals in May and continue this status through September. If by chance there are more requests than slips the tie breaker goes to who is higher on the wet slip waiting list. While these slips are suitable for shallow draft boats they are not recommended for sailboats.

3. **The Boat Survey and Safety Committee** will be walking Docks in January and reporting objects on the docks other than steps and dock boxes to the Office and Board of Directors.

Dry Slips Assigned:

XB-26	25'	**Scott Kaye**	Ready List
XB-29	25'	**David Hansen**	Ready List

Waves and Words

By Chaplain Gary Boggs

Happy New Year! The celebration of the holidays has come and gone. Winter is upon us, but the good news is; the sun has begun its northward trek across the sky and already our daylight minutes are increasing! Christmas and Hanukkah have passed for another year and we set our course for 2018. I hope everyone enjoyed a wonderful Christmas and Holiday season. Writing in advance of the actual day of celebration to meet a deadline is always a roll of the dice if you know what I mean. By the time this reaches your hands, or you view it on your computer we'll be making preparation to begin the New year with the annual blessing of the fleet on New Years morning. I hope to see as many members as possible on the water to begin the year lifting up prayers and blessings for one and all! It truly is a great way to start the year, asking the Good Lord to watch over, not only your vessels, but the well being of your families, friends and lives!(and little dogs too!) I look forward to it every year. The New Year brings new thoughts and plans for what we would like to accomplish in 2018. My prayers for the well being and advancement of CYC will continue as they have in the past. It would be wonderful to see the plans and dreams of all those who have labored for so many years in preparation for new facilities finally come to fruition! May the Lord bless all those efforts! Many thanks to all who have stepped up to help for so many years.

Prayer honestly is a wonderful, powerful gift that the Lord has given to those who call on His Mighty Name, and prayer for others should be with the intent of bringing them closer to the heart of God. It's not just about bringing a list of wants and needs to Him. It's not just about asking for a blessing or that some circumstance or situation be overcome or handled, it's actually about seeking the One who is ultimately in control, and understanding that He not only hears, he answers! I hope you can make it for the celebration New Year's Morning, but if you can't, please remember throughout the year my prayers go up for our entire membership! Here's a fabulous blessing from the Old Testament book of Numbers, written around 1450 years B.C.: "The Lord bless you and keep you; The Lord make His face to shine upon you, and be gracious to you; The Lord lift up His countenance upon you and give you peace." Again, what a great way to start the year! As always, "Take care of one another, be kind to one another, and yes, love one another. May you have fair winds and following seas!" Chaplain…out.

Rod & Reel

By Rod & Reel Chairman Paul Dodson

Welcome to CYC Rod and Reel 2018. Now is the time to renew your California Fishing License, as it is only issued on the calendar year or portion thereof. Your Mexican license can be purchased up to a year from the current date, or again, any portion of the coming year.

As from the International Game Fish Association membership issued to the Coronado Yacht Club (Rod and Reel Club), it has been renewed for 2018 and will not expire until January 27, 2019.

The International Game Fish Association is a not–for-profit organization committed to the conservation of game fish and the promotion of responsible, ethical, angling practices through science, education, rule making, record keeping and recognition of outstanding accomplishments in the field of angling.

IGFA can be contacted at hg@igfa.org (email) or www.igfa.org (website), or you can call them at 1-954-924-4243.

The Rod and Reel CAS NC–1 500lb. capacity crane scale has been calibrated and it also ready for our upcoming season. Our scale is calibrated annually by San Diego Scale Co., which is where said scale was purchased – very good people to deal with.

As for fish weigh-in book, it is now stored within the locked fish weigh in scale box. Yes, you will need to contact the Rod and Reel Chairman, get checked out on the process then you will be issued a key. We all need to act in a responsible way to safeguard the fish scale and to sign in our catch when we desire to account for it.

Each year, Rod and Reel purchases a membership to Discover Baja Travel Club, as many of our anglers use their service to obtain their FMM's for fishing in Mexican waters. Remember, the FMM permit is required when fishing in Mexican waters, along with your Mexican fishing license.

Should you have any questions as to our FMM or any other requirements when traveling in Mexico (by land or sea), you can call them at 619-275-4225 or 800-727-2252.

To use the CYC/Rod and Reel membership, you must show your CYC Membership Card and the CYC membership is only good for CYC members (not our friends or guest). However, Discover Baja Travel Club can assist our friends and guest for an additional fee. Thank you for following this process, as our CYC membership has certain limitations attached to it.

Another helpful contact is Anglers' Choice, complete fishing tackle supply center, located at 1910 Rosecrans Street, San Diego, CA. Their phone number is 619-223-2324 and the owner/operator is Luc Ofield. Luc has long supported CYC Rod and Reel and can help you handle all of your fishing needs when it comes to fishing tackle. Many of you have received the $25.00 gift cards frequently donated to Rod and Reel by Luc.

You can sign up on the Angler's Choice Website at www.anglerschoicetackle .com and receive a discount on your items of purchase. As you can see, this month's Rod and Reel report is devoted to helping our CYC anglers cover all their fishing needs and to make for an easier environment in getting our act together.

Good luck, be safe and call your Rod and Reel Chairman should you have any other questions—**Paul Dodson** at 619-993-3943

Cruiser Navigation

By Dave Weimer

2017 ended on a successful note, with CYC's cruiser navigation contestants scoring well in the San Diego Cruiser Association rankings, and CYC scoring second overall in San Diego yacht clubs for total contestant points. I was very fortunate to capture both first place in San Diego, as well as nationally. I'm pleased to see the North American Cruiser Association Coastal Explorer Trophy added to our club's trophy case for the coming year.

Looking forward to 2018, we'll start the season with a bay contest on Saturday, January 20. This contest, sponsored by Southwestern Yacht Club, is perfect for beginning cruiser navigators. The course is easily piloted and all the rules regarding the use of electronic navigation aids have been waived. Only restriction is that the boat's GPS receivers cannot be used to drive the boat either in direction or speed. Other than that, every electronic aid is fair game!

The contest begins at Navy mooring buoy "19" near the east end of Harbor Island, and proceeds west to green channel buoy "19" before going south out the channel to the first timed "Mark" at green channel buoy "11." Next, a "U" turn is made to the red channel companion buoy "12" followed by a route north in the channel to the North Bay, and green channel buoy "21" for the second "Mark." The balance of the contest leads south to the Coronado Bay Bridge for the third "Mark" and on to the south bay "flats" for a blind point, east to red channel buoy "28" and back to the bridge of the fourth timed "Mark." Finish is further north abeam of the green channel buoy "23" across from the Marriott Marina. The contest is an easily navigated course about 14.7 nautical miles in length. We'll report on our on the water success or learning experience next month.

On a personal note, I'd like to acknowledge the passing of CYC Club member, **Jerry Wellnitz**, who was an enthusiastic cruiser navigation contestant for our Club. **Jerry** was always energized about our sport, and earned his share of trophies over the years aboard his yacht, "Ventana." Fair winds and gentle seas, **Jerry**. We'll all miss you on the water.

Also, on a personal note, I'd like to thank CYC for the honor of receiving the Greg Walker Commodore's Trophy for 2017. I met Staff Commodore **Walker** prior to his passing, and was fortunate to occupy his boat slips as he moved up the 40 Ft. slip list. As real gentleman and a dedicated Club member, **Greg** will not be forgotten.

Once again, I'd like to invite any CYC power boat owner to try out this fascinating sport of cruiser navigation. To that end, I volunteer to help calibrate your boat, to join the San Diego Cruiser Association, and to plan and pilot the first contest in January. You will be rewarded many times over with new knowledge of your boat's performance, the navigation characteristics of our great bay, and much enjoyment in using your computer to plan and pilot the course.

Please contact me at cdweimer@sbcglobal.net if you would like more information about our sport and see how you can become a part of our winning team.

A December to Remember

By Entertainment Chair Nancy Eckenroth

Thanks to Commodore **Bill Sandke** and **Tami, Jill Powell**, Benito and the CYC staff **Dean** and I began CYC's December to Remember with a twinkly winter wonderland themed Change of Command.

Immediately following this beautiful evening an industrious and earnest crew of elves volunteered much of their day to transform CYC into holiday happiness. It was great fun and I am so appreciative of every one of them! Many thanks go to **Susan Bartsch, Marita Bodkin, LuAnn Miller, Sandy Strickland, Sue Welch** (who made all those beautiful plaid bows), **Jayne McArthur, Allie Collier, Ruth Gilliland, Phyllis Walker, Erin Whittemore Miller** and **Melody Whittemore**. We had many assists by the CYC staff as well and want to especially give a shout out to Lou Milioti, Jane Lee and Fabian Arreola.

On December 14, our yacht club hosted the San Diego Association of Yacht Club's Change of Command and holiday party. The club looked its festive best and welcomed the collegial crowd to a delicious meal featuring Benito's delectable braised boneless short ribs. Many compliments were heard and the evening was a great success.

The last event as of this writing and my personal favorite was the Family Christmas party on December 17. Santa, **Arie Van Vugt**, Mrs Santa, **Bonnie Carpenter**, Santa's sleigh-boat captain, **Chris DeNardi**, the face painter, **Bart Albin** and our Karaoke engineer, **Jim Mebust** all made this a very special party. Behind the scenes it looked like the whole Junior board came with **Jill Powell** to help set up, blow up balloons and assist with the face painting. Also many thanks to **Erin Miller, Preston and Mason** for having my back and filling in wherever needed. Pictures speak a thousand words so you can read how much fun this was in the photos below.

Continues on the next page

The crowd of kids and those who love them had a rollicking good time and helped us to fill to overflowing the Toys for Tots box.

*The **Eckenroth's** adorable grandchild gazing at the overflowing Toys for Tots box.*

CYC's biggest event of the holiday season but occurring too late for this newsletter's deadline was our New Year's Eve extravaganza "Mad Men til Midnight." This sold out and much anticipated affair should produce lots of little tidbits and photos for next month's newsletter. Who won the costume contest? Was there really a bouncer? Did the martini luge, well, luge? It will all be revealed here next month.

Coming up, we will pay tribute to our Top 100 with a brunch which has traditionally been called the Old Timers Brunch. Served by the Board, the Top 100 will be our guests of honor. This year we will celebrate their esteemed position with a commemorative token. Please come to honor them and see what it is.

Coronado Yacht Club

Old Timer's Brunch

Saturday, January 13, 2018, 9:30 AM

From the Jr. Clubhouse

By Jr. Sailing Director Jill Powell

Happy New Years!

Meet the 2018 Coronado Yacht Club Junior Board:

Commodore **Crew Fritsch**, Vice Commodore **Emma Yakutis**, Rear Commodore **Amy Schafer**, Secetary **Katelyn Roberts**, Double-Handed Fleet Captain **Sean Campbell**, CHSST Liaison **Brock Paquin** (not shown in this photo), BIC Fleet Captain **Preston Miller**, Sabot Fleet Captain **Tommy Rudowicz**, Jr. Angler Fleet Captains **Dominic DeNardi** & **River Paquin** and Staff Commodore **Tanner Chapko.**

The Jr. Sailing program had a great 2017 sailing year and we are looking forward to what 2018 has to bring!

Sign-up now for winter and spring sailing. Winter sailing starts on Jan. 10th and spring sailing starts Feb. 26th.

The summer schedule will come out April 1st. (Dates for summer camps: Session 1: June 18-27, Session 2: July 9-19, and Session 3: September 23-August 3, Scallywags is every week starting June 18)

We are on our way with raising money for the Juniors' new Sabots. If you would like to help us reach our goal, please let me know. See flyer for the details.

Congratulations to the 2017 award winners from CYC Juniors:

Seven-Up Cup: **Ansgar Jordan**
Uncle Bill Junior Yacht Races Perpetual: **Ansgar Jordan**
Jr. Commodores Corinthian Award: **Tanner Chapko**
Cynnie Dennett Memorial Trophy: **Preston Miller**
Jr. Sabot Fleet Champion: **Tommy Rudowicz**
Dennlers High Point Perpetual Trophy: **Sean Campbell**
Laser Fleet Champion: **Soenke Jordan**
Scott Harris Memorial Award: **Ansgar Jordan**
David Allen Smith: **Tristan Richmond**
John Callahan Memorial Trophy: **Brock Paquin**
Lenson Senior Sabot/Opening Day: **Willem VanWaay**
Fred and Ann Kirschner Perpetual Trophy: **Emmy Grimes & Curtis Milioti**
Jr. Director Special Recognition: **Katelyn Roberts, Crew Fritsch & Tristan Richmond**

Junior Sailors during the Holiday Clinic

Thank you to **Shawn Powell, Ester Araujo, George Mullen, Trish Eaton, Emmy Grimes, Curtis Milioti, Jeff Fritsch, Chuckie Eaton, Patrick Powell, the Jordan family, Dean Eckenroth and club staff** for your help with the Perry regatta that CYC hosted on December 9-10 in South Bay. We had 26 boats sail this year.

Congratulations to the Coronado sailors that sailed in the Perry regatta**: Ansgar Jordan, Brock Paquin, Crew Fritsch, Tristan Richmond,** Trey Summer and Connor McCrillis. CYC took two of the top three spots!

Coronado Yacht Club Juniors

invites you to...

HELP THE JUNIORS REPLACE THE SABOT FLEET!

Our sabots are over 30 years old! These sabots are used on a weekly basis all year long! The time has come to replace the fleet with brand new boats! The new fleet will be all handmade sabots by Don Bedford, a local Mission Bay Yacht Club member. The goal is to replace 20 sabots by summer of 2019.

We need your help to make this possible. Different pledge options are available! All donations go through the Coronado Maritime Foundation, which is tax deductible.

With a full donation of $3,500 you earn the righs to name the boat.

☐ **One Payment of $3,500**

☐ **One Payment per year of $1,750**

☐ **Monthly Payments for 2 years of $145.83**

Send in form to CYC, any questions contact Jill Powell at Jroffice@coronadoyc.org 619.435.0522

All checks will be made out to the Coronado Maritime Foundation

CORONADO YACHT CLUB

MARINA ELECTRICAL SLIP FEES WORKSHOP

SATURDAY, JAN. 20 & FEB 3

9:30 AM

Join General Manager Lou Milioti for a briefing about the data that we have collected from a cross-sampling of slip sizes, slip occupant types, power/sail and slip usage to help determine a fair ***SLIP FEE REDUCTION!***

Race Committee Report

By Race Committee Chair Glenn Welch

The Kempff Trophy is a high point competition that consists of eighteen races. One of these include the Longstreth series (three races) that began in November. The results so far are as follows:

CLASS ONE	**BOAT**	**Skipper**
First Place	MELOKIA	**Mike Whittemore**
Second Place	FANTANGO	R.G. Head
CLASS TWO		
First Place	JABBERWOCK	**Glenn Welch**
CLASS THREE		
First Place	ISLE RUN	**Dave Flint**
Second Place	SARAYU	**Mike Lewis**
Third Place	AURORA	**Curtis Milioti**

South Bay Clubs (SBC) Championship: Last year, this regatta was won by the Coronado Cays Yacht Club and the previous year by the Navy Yacht Club. This year, it is high time that we get it back. The championship is sailed in October next year. To be eligible to compete, a boat has had to participate in at least one of the SBC races. Our CYC SBC is scheduled for **Saturday February 24, 2018. SAVE THE DATE!**

My Christmas Story

By Charlie Allen

Long-time Flag Member and Staff Commodore

All five of the ladies of my life: mother Dottie, first wife Dorothy, second wife **Peggy** and daughters Leslie and **Kelly** are excellent cooks and spread a fine table. Good food reminds me of Christmas and what gift I always remembered was the yacht club cookbook "The Captain's Table or the Compleat Mess" of the early '70s, which made excellent Christmas gifts.

The first book was so popular that a second edition was published in 1975.

Just as it is today, the ladies of the Club made great contributions to Club life. In those days, they were labelled "The First Mates". Each edition had its own receipts and "Cookbook Crew". Spouses were not truly members until 1987 when the option of shared membership was approved by the membership (dual membership, one vote, one fee and spouses were issued membership cards of their own).

A cookbook undertaking was not to be lightly undertaken. A lot of people became involved in building the publication. As I remember, the first edition was 500 books with about 150 pages front and back, were hand-assembled by volunteers and a lot of lasting friendships formed. Some of the key people for the first book were Dorothy Allen, editor, Anne Evans, illustrations and Jane Phillips, cover designer. For the second edition, **Carole McLenachen** and **Raye Lenson** were co-editors, and again Anne did illustrations and Jane was the cover designer.

Two of my favorite recipes are in both editions. Bee Kempff's "Ricocheted Eggs" and "Enchiladas" by Rose Griffin, who owned vessel *Skookum II*.

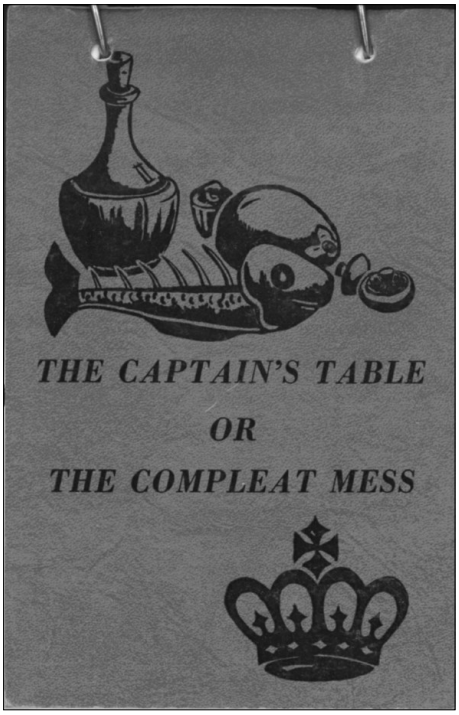
Both books contain ashore and at-sea recipes and galley secrets.

Might be nice if there would be a Christmas 2018 edition…?

My hat is off to the Cookbook Crews and all the ladies of the Club for their continuing dedication to excellence both ashore and at-sea.

Charlie

PS: Lastly I would like to recognize **Raye Lenson** for galley excellence both on *Bligh's Spirit* in Southern California and far in *Wind Spirit* in the Caribbean and Mediterranean over many years. Thanks.



After years of enjoying the rewards of the highly successful first edition of "THE CAPTAIN'S TABLE OR THE COMPLEAT MESS", the First Mates of the Coronado Yacht Club have compiled a second edition.

Although we have duplicated the art work and the general format of our first book, the recipes are new, with the exception of those in the chapter Trophy Presentation, where you will find the favorites from the first edition.

We hope this new edition will prove to be as intriguing as the old one.

We have enjoyed selecting the recipes, and we trust you will derive an equal pleasure in trying them out at your Captain's table.

13.	Flotsam & Jetsam - Miscellaneous	231
14.	Old Salts - List of Contributors	244
15.	Racing Instructions - Index	246

This cookbook was put together with many PRAYERS:

A PRAYER for recipes . .

A PRAYER that they could be read . .

A PRAYER that sorters, typers and proofers would survive . .

A PRAYER that ingredients, patience, and time in the kitchen would not become thin as "the book became fat" . .

A PRAYER that budgets would hold up as recipes were tested and tasted . .

A PRAYER that husbands and children would stop saying "what is it", and just try it . .

A PRAYER that it would finally become a book. A joy and a pleasure for all to use for many years . .

At last our PRAYERS are answered, and somebody up there likes us. We hope you do too . .

ADULT SAILING PROGRAM AT CYC

CYC Members are encouraged to take advantage of the Adult Sailing Program, offering access to CYC's Cal20 & J24.

To use boats without a coach one must:
1. Pass a check-out sail.
2. Sign all necessary waivers and agreements.
3. Pay $100 initiation free, $50 check-out fee and allow a charge of
$10 per month to their CYC account.

Once a member passes check-out sail, their name is added to the "Qualified List" maintained by the office. It's hoped each member involved with Adult Sailing volunteers or makes a small donation to help defray the cost of maintaining our fleet of easy-to-access, safe and fun sailboats!

You have questions. We have answers.

Where can I find the best value on Coronado?
What types of homes are actually selling?
Why is rent in town becoming so expensive?
What is an accessory dwelling unit?
Why are so many condos being built?
Should I think about buying investment property?
What does the future hold for Coronado real estate?

Trust in experience. Let us share our family's 100 year history of buying, selling, and living on Coronado.
