

## From the Commodore

Happy New Year! 2020 has begun with a great Change of Command dinner and ceremony, the club was beautifully decorated and the band **WildSide** kept us dancing well past 11:00 pm. It was fun to watch a few old school funk music fans come out of their shell!

The club had a sellout Brunch with Santa & Mrs. Claus, who were escorted to the turning basin by Santa's helper **Vice Commodore Chris DeNardi** and **Dom DeNardi** in their *Donzi*. The kids enjoyed having their photos taken with Santa and singing karaoke Christmas Carols with **Jim Mebust** and **Dianne Lookabaugh**. The brunch featured kid favorites including a donut bar, decorate your own cookies, and a pancake station, and coloring and crafts at every table.

Some of us still believe, so a thank you to **Arie Van Vugt** and **Bonnie Carpenter** for "arranging" the visit from Santa & Mrs. Claus and to **Staff Commodore Bill Sandke** for acting as the photographer for this fun event. I understand we'll expand the capacity next year for a larger than expected turnout to spend the morning with the Claus's.

Commodore Scott Grimes

Congratulations to the winners:

Heather & Chuck Furey	Blond Fury
Aaron & Jen Vernallis	Seafore
Brice & Donna Young	B-Liner
Dick & Annetta Townsend	Spellbound
Penny & Gary Boggs	Oh Penelope
Willem Van Waay	Enchantress
Ken & Lois Halverson	Reality
Karen & John Paquin	Elusive (2)

December also brought to a close Monday Night Football, I'd like to say thank you to **Cathy Brown** for organizing this year's Monday night events and to all of the volunteers who cooked throughout football season.

As I write this article, the finishing touches to the "20's" era themed Speakeasy New Year's Eve Party planning are almost complete. We have a sellout crowd, and are looking forward to entertainment by Coronado CYC member and **Matt Heinecke** and his band **Crown Town**. The evening will also feature a back room casino with craps, roulette and black jack tables.

New Year's Day brings us the Blessing of the fleet and a post-blessing luncheon. The Coronado Yacht Club fleet will round the Glorietta Bay and then head to Staff Commodore **Dean & Nancy Eckenroth's Eagle**, and your vessel and crew will be blessed by **Chaplain Gary Boggs**. Make sure your boat is looking shipshape you are flying the CYC Burgee and the US Flag, as photos of your boat will be taken! This is a fun day and a great way to get your first half of the year Underway Requirement out of the way.

**Bridget & I** wish you all the best in the New Year.

Flag Member Max Gurth announcing the winners of the Boat Decorating Contest

Dom DeNardi & Vice Comm. DeNardi arriving at CYC with Santa & Mrs. Claus

Boats in the CYC marina were well lit with holiday lights this year! A very big thank you to member **Max Gurth** and his company DiscFlo who sponsored the second annual Holiday Boat Decoration contest. This contest was created and sponsored solely by **Max**, who donated \$5,000 in prize money for the contest. There were two categories -10 to 39' and 40 to 100', each category had 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place winners.

## From the Crow's Nest

By General Manager Lou Milioti

Happy New Year, I hope that your Holidays were filled with joy and time spent with your loved ones. Although the nights are longer, and the days are shorter this time of year your Coronado Yacht club food service team is anxious to offer you some great dining options in the month of January. Our **Prime Rib Night** will be on **Wednesday, January 8th** and our popular **Lobster Tail Night** will be offered on **Wednesday, January 15th**, and on **January 29th**, we will have a special **Mexican Buffet** available for you to enjoy.

For those of you that have made New Year's resolutions to make healthier dining choices in 2020, please be aware that **Chef Benito** can customize your order to be served with double vegetables instead of starch, proteins can be grilled instead of sautéed or any other reasonable request to help you meet your goals. We also offer a very extensive soup and salad bar on Wednesday and Friday evenings that consists of over 30 items including fresh fruits, vegetables and homemade soups.

I want to thank the membership for all of the positive comments that I have received on the new bar tables and refinished flooring. As you know the **CYC House Chair Erin Miller** is always looking for clubhouse projects to enhance your membership experience. In 2020, while we will be having a lot of fun at CYC, we will also continue to improve our facilities for you including an upgrade to the marina restrooms, patio awnings, parking lot, boat storage repaving, and digital trophy boards with member vessels being shown at the bar thru smart tv slideshows. Those are just a few of the clubhouse enhancements being considered in 2020.

As always if there is anything that I or our team can do to enhance your membership experience, please drop me a line at [lmilioti@coronadoyc.org](mailto:lmilioti@coronadoyc.org) or feel free to stop on in.

Aloha,  
Lou

## Vice Commodore's Report

By Vice Commodore Chris DeNardi

Happy New Year fellow club members! As we cruise into the New Year I hope everyone had a great time at the SOLD OUT New Year's Eve Party. 2020 is going to be an amazing year at the club. Don't forget to make your party reservations early.

Santa and Mrs. Claus arrived in style at our front dock for a festive brunch filled with crafts, karaoke and Christmas wishes.

We are fortunate to have a great group of volunteers serving our club on the Finance Committee. This year's committee members are **Bill Huck, Don Panek, Doug Pate, Joe Warren, Staff Commodore Mark Warner, and Toni Dean**. Our first meeting was held on December 16<sup>th</sup>. There weren't any pressing issues or funds requests to discuss but we did review the financial performance through October. Revenues continue to be strong and the club is financially exceeding its budget.

Don't forget about the Blessing of the Fleet on New Year's Day. It's an easy semiannual Underway followed by some good food and better camaraderie.

# Port Captain's Report

By Port Captain Mike Dowling

**H**appy New Year! I hope everyone enjoyed the holidays and is looking forward to a great 2020. I attended my first board meeting this month, and my biggest takeaway was the dedication of all the board members and volunteers. I did not realize how much time and effort they are putting in on our behalf to make CYC such a great place to enjoy. It's impressive!

I had a great meeting with the Boating Standards and Safety Committee Chair, **Susan Schelkun**. We reviewed the current Underway policies and major safety concerns to keep us all safe on the docks. Since all is quiet on the slip waitlists right now, I wanted to take the opportunity for Susan to put out some information:

*"Thank you to all of you that accomplished your Underways for 2019. Our slip holders have done a great job of maintaining the boats, keeping them clean and in working order. Presently, when your boat goes out you should fill out the "Underway" slip at the front desk with a witness. We are working to get this form online making it easier to fill it out and turn it in. We need documentation of some kind showing the accomplished deed.*

*February will be our safety month on a Saturday. Once again, we will invite the Coast Guard Auxiliary and All County Fire. Look for the flyer soon.*

*With the fluctuating tides of late, please check your power cords to make sure they are secure and out of the water. During dock walks we have noticed several that have needed to be pulled tight and secured.*

*Thank you to all for your continued support in making our docks safe and secure."*

**Susan Schelkun**

Thanks **Susan** for your continued efforts. As always, we are open to ideas to improve our safety and compliance.

Cheers to a great 2020!

All the best,  
**Mike Dowling**

# Rod and Reel Report

By Rod and Reel Co-Chairmen Russell Nevitt & Mike Copp

First and foremost, we would like to welcome you to a new year! Not only a new year, but a new decade! Hope springs eternal, let's face it; people who fish are an optimistic bunch. Hours upon hours, with an investment of tackle and fuel, all for the CHANCE of catching a fish. That's why they call it fishing, and not catching. Speaking of which, with a new year comes a new fishing license. California continues to be very proud of her resources, and it will cost you \$56 and change for a new license, along with the Ocean Enhancement stamp. We didn't opt for the "2<sup>nd</sup> rod, fresh water" option, which is a bit more. When the bite is on, it can be hard enough to manage one rod. Hopefully, if you participated in the "Blessing of the Fleet" on January 1<sup>st</sup>, you took along a rod, and you were legal.

Many view the winter months as a time to service fishing equipment, repair our boats, and plan for summer adventures. We would beg to differ. While CYC Rod & Reel is primarily about fishing on our boats, there are many other opportunities to offer. For those with the time, and not too much Christmas debt left over, there is an abundance of chances to fish. Whether heading "South of the Border" to Mexico or Central America, or farther West to Hawaii, Fiji or beyond, there is some outstanding fishing for the adventurous. If you go far enough south, the seasons are opposite, and the fishing is excellent. Think trout in Patagonia, marlin and sailfish in Hawaii or Costa Rica, Dorado and Tuna wherever the water is warm enough. Along these lines, let's talk about PICTURES.

If you don't have pictures, it's just another fish story. Lou has agreed to place a small video display above the CYC Saltwater Season Records Display (the Fish Board) to scroll photos of your successful outings. With this in mind, please email your photos to: [rnevitt1@san.rr.com](mailto:rnevitt1@san.rr.com). Let's try to keep them within the past couple of years, but more importantly, start documenting your catches in 2020! Don't forget pictures of your guests, particularly the younger ones. Little kids with little fish is a lot more heartwarming than adults mastering denizens of the deep. Although...

An oft rumored local fishery is about to be tested by one of our CYC Rod & Reel members. The secrets to targeting swordfish off the Nine Mile Bank and the Coronado Canyon have been revealed. Hint: better have at least 500 yards of non-stretch braided line, and a BIG squid for bait. Perhaps by the next edition of the Whisker Pole, we will have a picture, or at least a story of "The One That Got Away."

In closing, we would like to see a marlin, a white seabass, and a tuna over 100 pounds caught by one of our members on a CYC boat, in 2020. Our "underwater hunters" have slain some impressive fish, but it's time for the Rod & Reel anglers to step up. The fish are out there, we just have to go find them this year. The scale has been certified and recalibrated to weigh your catch, and the new video monitor will be waiting to display proof of your deeds. So, whether your chasing bass and halibut in the Big Bay (no recorded bass catches yet!), trying your hand at "old Man and the Sea" with a swordfish, or traveling to warmer climes in search of big pelagics, take pictures and share your stories. Until then, here is a picture of Rod & Reel Member **Tom Christiansen** on just such a trip: Namotu Island, Fiji.

Tight Lines!

Mike & Russ

## Waves and Words

By Chaplain Gary Boggs

**H**appy New Year! The beginning of the third decade of the twenty-first century is upon us! The celebrations of the holidays have come and gone. Winter is officially here but the good news is; the sun has begun its northward trek across our sky and our daylight minutes are increasing! Thanksgiving, Christmas, Hanukah have passed for another year and I hope everyone enjoyed the season. Now we set our course for 2020 and my hopes and prayers for one and all in the New Year are that your lives would be filled with true love, joy and peace! Writing in advance of an actual day of celebration, to meet a deadline, is always a roll of the dice, if you know what I mean! By the time this reaches your hands, or you view it on your phone or computer we will be preparing to embark aboard “**EAGLE**” to begin the New Year/Decade with the annual “Blessing of the Fleet” on New Year’s morning (Lord please give us sunny skies and gentle breezes!). I hope to see as many members as possible on the water to begin the year asking the Good Lord to watch over, not only your vessels, but the well-being of your families, friends and lives! (and little dogs too!) I look forward to it every year. The New Year brings new thoughts and plans for what we would like to accomplish in 2020. My prayers for the well-being and advancement of CYC will continue as they have in the past. It would be wonderful to see the plans and dreams of all those who have labored for so many years in preparation for new facilities finally come to fruition! May the Lord bless all those efforts! Many thanks to all who have stepped up to help for so many years.

Prayer honestly is a wonderful, powerful gift that the Lord has given to those who call on His mighty Name, and prayer for others should be with the intent of bringing them closer to the heart of God. It’s not just bringing a list of wants and needs to Him It’s not just about asking for a blessing or that some circumstance or situation be overcome or handled, it’s actually about seeking the One who is ultimately in control, and who knows before you ask what you seek! It’s understanding that He not only hears, He answers! I hope that you are able make it for the celebration New Years morning, but if you can’t, please remember throughout the year, my prayers go up for our entire membership! Here’s a great blessing for the beginning of the year. It comes from the Old Testament book of “Numbers”: “The Lord bless you and keep you; the Lord make His face to shine upon you, and be gracious to you; The Lord lift up His countenance upon you and give you peace.” Again, what a great way to start things off! As always, “Take care of one another, be kind to one another, and yes, love one another. May you have fair winds and following seas!” **Chaplain...out.**

# From the Entertainment Committee

By Entertainment Chair **Bridget Grimes**

**H**appy New Year! We are so excited for the start of 2020 and a great year of events for the club.

December was a very busy month for the Entertainment Committee. We began the month by decorating the club for Christmas in our Coastal Christmas theme. Thank you to the many club members who volunteered their time and vision to make the club look so beautiful!

The Club celebrated Change of Command on December 7<sup>th</sup>. It was a wonderful evening with a record crowd. The room was just beautiful, and a big thank you to **Jill Powell** for the stunning floral centerpieces. We had a terrific meal courtesy of **Chef Benito** and his staff, and danced late into the night to the music of **WildSide**. The evening was an opportunity to thank **Tom Lyons** for his year at the helm, and to thank the Board for their countless hours of volunteer work steering our club. In addition, the new Board was chosen and sworn in for 2020. Congratulations 2020 Board of Directors! And thank you, **Tom**, for your service as Commodore for 2019, and to **Lindsey** for heading up the Entertainment Committee and the many fun events of 2019.

This year the family Christmas event was Breakfast with Santa on Sunday, December 15<sup>th</sup>, and we are thrilled to share that it was a sold out event! Children and their parents enjoyed breakfast, photos with Santa and Mrs. Claus (who in keeping with tradition arrived by boat), and Karaoke. Thank you to the club members who volunteered their time to make this event such a great success: **Arie Van Vugt, Bonnie Carpenter, Bill Sandke, Dom** and **Chris DeNardi, Jim Mebust**. Given the overwhelming interest in this event, we look forward to accommodating even more families next Christmas.

As I write this column we are preparing for a sold out New Year's Eve at the Club. We'll be ringing in the New Year with a Roaring '20s Speakeasy themed party, dancing to the music of Crown Town, enjoying Gatsby themed food and cocktails, and gambling the night away. Thank you in advance to all Club Staff and Entertainment Committee members who spent so much time and energy to produce a great event for over 200 club members!

We are looking forward to Blessing of the Fleet on New Year's Day, which will be led by my husband **Commodore Scott Grimes** on our boat Firefly. This is such a wonderful event and such a special way to welcome the New Year. The weather should be perfect and we look forward to seeing many members on their boats for the event. Thank you to **Chaplain Gary Boggs** for blessing our fleet .

Our last event for January is the **Old Timer's Brunch** on **Saturday, January 18<sup>th</sup>** , and is complimentary for the top 100 Senior members and Senior Flag members. This special event honors our longest serving members and we thank them for their dedication and commitment to the club over many, many years.

**Saturday, February 8<sup>th</sup>** will be an **Italian Wine Dinner** featuring Italian cuisine favorites and wine pairings. Scott and I have a love for Italy and Italian food and wine, and this event is a way for us to share that love with the Club members. The dinner is **\$79 per person** and with only room for 70 diners. You'll want to reserve your spot soon!

For reservations for any of these events, please email: **coryclub@coronadoyc.org**, stopping by and signing up in the book or calling the front desk at **619.435.1848**.

Looking forward to a great month!

# The 2019 Jonah Award

By Staff Commodore Dean Eckenroth

Each year Jonah struggles to find a rue  
To recognize and bestow their due  
Reliance is made on turning one in  
And spies to locate them in the bin

When our year comes to an end  
We pray there are many to offend  
Some years are quiet and low key it's true  
While others await that other shoe

Who can forget last year's hex  
About the skipper who ran into her ex  
The tale of **Bonnie & Collide**  
Will be retold, it can't hide

Hard to beat that crispy action  
From a boater with slow reaction  
Could be the event most nice  
Smacked it once, did it twice

Christmas decorating prizes were the award  
Three gifts of cash graced the hoard  
Thanx to our own **Max Gurth**  
Making boaters work for the worth

Only problem, **Commodore Tom** said it wrong  
Starting his year with the sound of a gong  
He gave No. 2 a No. 1's due  
Giving his face a bright new hue

Isle Run & **Dave Flint** not to be churlish  
Over the line like a whirling dervish  
Could have restarted but did not  
Disqualified and banned to Minot

**Glenn Welch** of Longstreth fame  
Suffered another dose of shame  
Ran into 23 going wrong way 'round mark  
Made last minute decision on a lark

Having a boat is a blessing  
Keeping it floating is a lesson  
Yearly the Club hosts an event  
To the year and underway it's meant

First **Ray Fritsch** ran aground  
But he wasn't the only to be bound  
*Tenacious* also got stuck on a hump  
Had to be towed away from the dump

That's not the idea our **Commodore** stated  
As boat and tows had to be mated  
Up early for hail and hearty  
Back to the Club to enjoy a party

**Dwayne**, son-in-law to **Frank**  
off RC Boat walked the plank  
Between his craft and another boat  
Eschewed the castle and went for the moat

Yuup, during the Small Boat Regatta  
Did what he hadn't aught-a  
Endured a quick bath  
Should have done the math

Too much fun was had at Floatopia  
Maybe there should have been more rope-ia  
The boat was anchored securely they say  
When it surprisingly moved in the bay

While scrambling for a dinghy to row  
boaters looked high, and sailors looked low  
In the midst of being miffed  
The craft was noticeably adrift

Yes, it was spotted as someone did see  
Lurking in the vicinity of NAB  
Dragged the anchor a mite  
In the end it was quite a sight

Failure to secure was not too good a try  
Finding it gone made him ask "oh why?"  
Things happen that are too good to pass  
While sailing in our yacht club morass

Too good to ignore a surprise underway  
Like Santa's gift in the sleigh  
When about to make a mistake  
It's always better take a break

'Cause when having too good a time,  
Best listen to this rhyme  
Jonah awards, for action totally amiss,  
Anchoring knot **Toogood**, first name **Chris**

## Fleet Captain's Report

By Fleet Captain Curtis Milioti

Our current racing season is in Full Swing!! The Longstreth is our current regatta in progress and it looks like in Class 1 we have quite a close race. Currently, **Peter Andreason** is leading with 5 points on *Sailhook* but it is anyone's to win based on how they finish on the final race January 4<sup>th</sup>. **Mike Lewis** (*Sarayu*) and **David Flint** (*Isle Run*) are on the top of Class 3 with a 3 to 4 in current standings, respectively, but based on finishing for the last race it could be **Fred Hawes** (*Anona*) or **Tom MacCabe** (*Go Mall*) coming from behind and taking it. Some pretty exciting racing going on in our local waters!! If you are around the club the next race will start January 4<sup>th</sup> around noon at the Barbers Pole.

One of our largest races of the year, the Bornsen New Years Race, was held on December 28<sup>th</sup> and this is one of the spring boards for our Kempff trophy.

Congratulations to our very own **Magnus Karlsson** for being installed as Commodore of the San Diego Cruisers Association, the organization that oversees the predicted log cruiser navigation contests in San Diego waters.

We will be having our Fleet Meeting on January 4<sup>th</sup> at 9am at CYC. This meeting will have a hosted Bloody Mary Bar and will focus mostly on sailing for this event, but everyone is welcome to attend.

Thanks,

**Curtis Milioti**

## Membership Committee Report

By Rear Commodore Harper Hatheway

If you happen upon a Membership Committee Member (MCM) the first words from their mouths are often are "This committee is the most fun in our club!" After hearing this and having worked with these folks I am a believer!

In December we held interviews on two dates to accommodate six applicants. Thanks to all for being so accommodating. Coronado yacht club is experiencing a boom in applicants and we are doing our best to welcome and get to know our new members.

The latest new members, from the wait list are **Peter and Christine Kuhns**. They were sponsored by the **Mebusts** and **Cooks**. I look forward to making many more announcements like this throughout the New Year.

Coronado Yacht Club's 2020 MCM are: **Anne David, Arie Van Vugt, Chris Toogood, Janet Paulovich, Mary Farley, Marita Malskis Bodkin, and the inimitable Nancy and Wayne Strickland.**

# Need Storage?

*Coronado Mobile Storage  
provides the Storage Room  
That Comes to YOU!*

## ***CONVENIENCE***

We deliver a steel ocean shipping container that remains on a trailer at your site. You can load or unload furniture, books, sporting equipment, accounting records or anything you want to store. After the container has been loaded call us, to have it returned to our storage facility. When you need something your container can be delivered to your location or you can access it at our storage facility.

## ***SECURITY***

Our security far exceed that of most self-storage facilities. Our steel heavy duty containers are fire and vandal resistant. Most containers are stored "door-to-door", which makes unauthorized access very difficult. In addition like a bank safe deposit box, the containers can only be opened if both your key and our key are available.

## ***SAVINGS***

Coronado Mobile Storage provides space at rates that are far less than the "going rate" charged at self-storage buildings located along the coast.

## **NEED HELP LOADING?**

We can provide you with a list of reliable people eager to help. These people are paid directly by you. All trailers are equipped with loading ramps and hand carts.

## **MONTHLY RENTAL RATE**

**CLASSIFIEDS/FOR SALE**

**FOR SALE: Avon 10' Dinghy 1983** but no holes or leaks. Call me see it. Has 1. Floor boards, 2. Two seats, 3. Oars, 4. Foot pump. Comes with a Mercury 2.2 horse power motor. 619-435-8227.

**CATALINA 38** - We have purchased a new sailboat and don't want to be a two-boat family! Over the past six years we have made many upgrades, including: new lifelines, standing rigging, ProMariner charging system, furler (all in 2017), running rigging; new water pump, macerator, batteries, and more (2015). This is the vessel that was previously owned by Frank and Dudley Rockwell; it sails beautifully and the engine purrs like a kitten. Will consider all reasonable offers. Bruce and Cathy Liese—bliese@kumc.edu or 913-579-5039.

**FOR SALE:** Classic 1970 whaler with rebuilt and refinished wooden console and 90HP 2010 Yamaha engine. Very

few hours of engine use. Comes with Aros trailer. Call: Marylee Goyan - 619-972-5158

**Dear fellow CYC member,** My wife Teresa and I are CYC flag members since 2016. We wish to partner with another member with a 18-26 ft power boat in a wet slip so that we can start creating family boating memories at CYC. We are happy to supply generous funds to defray overhead costs in accordance with CYC guidelines for the opportunity. We are good and honest people who just want a chance to enjoy the most important amenity any yacht club has to offer... access to the water. Sincerely, Martin and Teresa Bastuba, Sons: Alex, Ryan and Ben, 1502 Glorietta Blvd, Coronado, 619-889-1199

**FOR SALE:** FLOATING RAFT: Great as a dock for kayaks or paddle board, excellent for swimming and snorkeling. Not a toy, heavy-duty to be used as a work platform for yacht cleaning or maintenance. Made of same

heavy-duty materials and can be carried by 1-2 persons or rolled on a folding hand cart for easy transportation. Place beach chairs or loungers and enjoy your own private island on the water. Great as a fun activity platform for yachts. Top surface all covered with large non-skid patch. Also can be used as a dock for a Jet Ski and small boats. Contact Flag member Scott Kaye. \$375 negotiable.
