

From the Commodore

Commodore Tom Lyons

Happy July! After a wonderful Opening Day weekend, we had a great June filled with lots of exciting activities. We have a fun 4th of July weekend planned for this year. Provided that the 4th of July falls on a Thursday this year, this is an easy justification to take Friday off and enjoy the long weekend.

At the June 13th Board Meeting, we established a Coronado Yacht Club Green Policy Committee, Chaired by Flag Member **Rose Ann Krock**. The committee's mission statement is to introduce activities, practices, and policies that will constantly improve Coronado Yacht Club's environmental sustainability in ways that build a more fulfilling and lasting membership experience while protecting the air, water, and land, which is our responsibility.

Our club has already been making these important efforts and, as one example, we are now approved as a *Surfrider Foundation's Ocean Friendly Restaurant*.

We are performing well year-to-date, and it is evident that members are enjoying the club. Food, Beverage, and Event sales are strong. Make sure to check out our upgraded draft beer system. We installed a glycol technology tap system, which improves the taste of the beer due to the ideal serving

temperature (38°), increases our keg yields and revenues, and lowers waste by creating efficiencies. The new system also has an additional tap, as an added benefit.

In general, throughout the year, we have been thinking about and working on small details that improve and enhance the overall membership experience.

Lindsey and I are excited about the rest of the year! We will have the following events planned for the rest of the year. A Luau with live entertainment on August 10th, a Spanish Tapas, Paella and Sangria night with live entertainment on September 14th, an Oktoberfest with live entertainment on October 12th, and a wine pairing dinner with a date still to be determined. **Lindsey** and I both studied in Spain in college and want to share some of our experience with the club through this cuisine and culture. We hope to see you at these events and we appreciate your presence.

Flag Members **Manny Granillo, Tom Christiansen, Doug Pate, Nikki Pate**, and I participated in the 2nd Annual Lorton Mitchell and Stan Searfus Memorial Paddle Board Races on June 1st. This is an excellent event for a great cause, and another way to enjoy beautiful Glorietta Bay. I would recommend it to members who like to paddle next year. It is held at the Coronado Boathouse. Flag Members **Caroline Haines, Molly Haines McKay, and Bud McKay** help organize the annual event.

By General Manager Lou Milioti

As we reach our busy summer season, please help us keep our grounds looking fresh and clean for all members to enjoy. Unfortunately, members who are providing their own food for small gatherings on the side lawn are not cleaning up after themselves. As a courtesy to your fellow members and the CYC leasehold, please remember to clean up after yourselves before you depart the premises. We appreciate all that uphold the Corinthian spirit in which CYC was founded upon.

Club members that wish to have a small (less than 20 guests) informal gathering on the club grounds may BBQ or Pot Luck their own food but must check with club management A WEEK PRIOR TO THE GATHERING to assure that no scheduling conflicts exists and clean up after themselves.

To take advantage of the summer's increased activity at the club, we will be having a live band on the side lawn on Friday, July 26th.

Our food and beverage team have yet again expanded our offerings for the membership to enjoy this summer season. We have resurrected the "GOOD OLD DAYS SNACK BAR WINDOW" which will be available until Labor day. We have a TO-GO menu available on Wednesday and Friday nights from 5:30 pm to 8:00 pm as well as a weekend To-Go menu from 8:30 am until 2:00 pm. The weekend TO-GO menu has favorites and even a full children's menu. Simply place your order at the snack bar window and we will text you when it is ready and provide you with environmentally conscious to go containers and disposable cutlery and napkins.

We have officially begun our reciprocal polices limiting and tracking reciprocal overuse of the facilities to assure members have first right and are not overwhelmed by reciprocal guests when using the club facilities.

The newly formed CYC Green Committee is off to a great start having secured at no cost new recycle bins and trash receptacles which have been placed in the marina and around the CYC leasehold. Way to go: **Kelly Sarber, Whitney Benzian, Tami Sandke, Kelly & Gina Bernsen!**

As always, if there is anything at the Club that we can improve to enhance your membership experience, please do not hesitate to let me know at lmilioti@coronadoyc.org.

Membership Committee Report

By Rear Commodore DeNardi

It's show time! July 4th is upon us and nobody put on an Independence Day festival quite like the Coronado Yacht Club. Please stop by the office to pick up wristbands and enjoy your club. While we are discussing wristbands I want to elaborate on our new reciprocal policy. We are going to start enforcing the new reciprocal policy this July 4th weekend. The policy is as follows:

- **Lead time for reciprocal members making dining reservations:**
 - Reciprocals from clubs in Coronado City limits may make dining reservations **no earlier than noon of the day of requested reservation.**
 - Those outside of Coronado City limits may make them up to two days prior.
 - CYC members may continue to reserve up to a week in advance.
 - Special club events are excluded (i.e., holiday buffets or special events).

- **Daily guest card policy enacted for reciprocal guests not arriving by boat:**
 - A **DAILY RECIPROCAL GUEST CARD** must be obtained by all reciprocal guests using the CYC facilities.
 - A **Reciprocal Guest Card can be obtained from the CYC office during posted office hours.** (Holidays such as the Fourth of July Independence celebration period, authorized reciprocal club raft-ups and other days as determined by the CYC Board of Directors are exempt).
 - Reciprocal guests will be allowed to bring in **no more than 5 guests** (family members, friends, etc.) to the Coronado Yacht Club per each daily Reciprocal Guest Card.
 - Reciprocal guests may not obtain more than **two reciprocal guest cards per reciprocal family membership per calendar month.** *(Those from clubs outside of Coronado City limits are exempt from two guest cards per month)*
 - Reciprocal guests and those listed on the daily Reciprocal Guest Card will be given temporary CYC guest nametags, listed with the guest's name and reciprocal club.
 - Food, beverage and family activities will require a daily Reciprocal Guest Card to participate or receive service.

I suspect there will be a learning curve as this new policy goes into effect. Please send us your observations and feedback. We want this to work for all parties.

June was a busy month for the Membership Committee. We started the month with waiting lists for both Flag and Social Memberships. We were fortunate to interview 3 new candidates for Flag Membership and 1 candidate who had grown tired of waiting on the Social Membership waitlist. While we continue to enjoy the waiting lists there is movement on the Flag List. Please encourage your friends to apply.

Rod and Reel Report

By Rod and Reel Chairman S/C Paul Dodson

Saturday August 3rd, 2019 is the Southbay Combined Finishing Tournament. Please contact **Paul Dodson** for a copy of the Rules and Regulations. He can be contacted at (619) 993-3943 or (619) 435-3943.

Sunday August 4th, 2019 is the CYC Annual Fish Fry Dinner along with the Rod and Reel Fundraiser to support the CYC Junior Program.

Both of the above programs will be available for sign up reservations at the CYC Office as of 7/3 and 7/4 respectively (30 days prior to said event). Participation and/or attendance in either event requires a sign-up at the Front Desk (CYC Office). Should you have any questions please contact **Paul Dodson** – Rod & Reel Chairman.

The South Bay Combined Fishing Tournament is Rod and Reel’s big event of the year, along with the Annual Fish Fry and Fundraiser for our Junior Program.

Now, speaking of the Rod and Reel Fundraiser to support our Junior Program, we are accepting raffle prizes from those who would like to contribute an item to the raffle table. Please call **Paul Dodson** at either of the prior mentioned phone numbers and he will arrange to pick up your table donation – thank you.

The 10th Annual “Bay Fishing Challenge” was held Saturday June 8th and was hosted by Southwestern Yacht Club this year.

Participating clubs consisted of Southwestern Yacht Club, San Diego Yacht Club, Coronado Yacht Club, Silver Gate Yacht Club, and the Marlin Club.

San Diego Yacht Club won the event this year with a 18.2 lb. halibut and a 6.1 lb. sand bass. It should be noted that CYC was represented by **Al Thomas, Rick Evans, Michael Copp, Mason Copp, and Russell Nevitt.**

Additionally it should be noted that Flag Member **Al Thomas** recently recorded six notable fish over five fishing trips on San Diego Bay. The following fish were caught off Al’s Boat “R” Boat, which he co-owns with his good friend **Rick Evans.**

- 5-13-2019 2 lb. Calico Bass
- 5-16-2019 7 lb. 3 oz. Halibut
- 5-16-2019 1.5 lb. Spotted Bay Bass
- 5-31-2019 19.5 lb. Halibut
- 6-9-2019 4 lb. Corvina

Congratulations Al! Nice catch.

Obviously San Diego Bay is holding notable fish and all for a short boat ride.

Summer is here. Go fishing and enjoy yourself.

2019 Kitty Muhl's Ladies Day Race

By Flag Member Anne David

We have a date – Sunday, August 18!

And we have a good number of boat owners who've put the date on their racing calendars! A few have indicated that they have room for crew. Some boats are shooting to have an all women crew. Others will sail co-ed. All are welcome.

Looking for ladies (of all ages) who would like to sail in the Kitty Muhl Ladies Race. Please contact me at anne.david829@gmail.com and I will do my best as match maker. Sailing/racing experience is a plus but NOT required. More than a few new CYC members indicated their interest in sailing during their membership interviews over the last few years. Email me and we'll do our best to get you on a boat.

Port Captain's Report

By Port Captain Dave Flint

If you have a wet slip at CYC please be considerate of members not so fortunate as you who have their boats berthed in other marinas. It is required that you file a **Float Plan** if you will be out of your slip for 24 hours or more so we can accommodate non-slip holding members with a temporary slip. **Thank you.**

2. Please note that only the following people may verify your **UNDERWAYS** to the Coronado Bridge and back to your slip: Members of the Board of Directors, Office personnel, Members of the Boat Survey and Safety Committee, Dockmaster and Port Captain. If you are not among this group you may not sign the Underway Form to verify you went out. Thank you.
3. Please know that the **Better Slip List** and the **Ready Wait List** will be published online and placed in the Port Captain bulletin board in the hall about the first of each month and about the middle of each month. That is, two times per month. This was necessary because of the increase in slip assignments.
4. New slip assignments for the last few months or so **have set a new record** for the number of slips assigned to members. Almost **40 slips** have changed owners. Some of the slip lists have had significant movement.

Wet, Dry Slip and Shed New Assignments:

AC-22	30'	John Micallef	Ready List
AC-28	30'	Rob/Jackie Wendt	Ready List
B-4	30'	Brian Turner	Better List
B-15	50'	Robert Oder	Better List
B-17	50'	Penny/Gary Boggs	Better List
B-18	50'	Chuck Furey	Better List
B-21	50'	Greg Lusitana	Better List
B-25	50'	Mike Rockoff	Better List
C-33	35'	Brian/Jamie LaRocco	Ready List
XB-26	25'	Lauren Amber Paquin	Dry Slip List
XB-29	25'	Pat Howard	Dry Slip List
XC-17	18'	Paul Sauer	Dry Slip List
Shed	#43	Steve Streifer	Shed List

From the Entertainment Committee

By Entertainment Chair Lindsey Lyons

Happy Fourth of July! The busiest and most festive month of the year in Coronado has begun. July brings us Coronado people one of our most favorite holidays. Coronado Yacht Club is gearing up for a packed house over the next week. If you haven't done so already and plan to have dinner at the club make sure to sign up for Dinner Buffet on Wednesday, July 3rd and the All American BBQ Thursday, July 4. If you prefer to be spontaneous you can also enjoy Benito's Taqueria Wednesday, July 3rd 5PM - 7:30PM and Grab & Go menu 9AM - 2PM July 4th at the Snack Bar. There will be live music from 6-9PM on July 4th in both the Side Lawn and Hoist area. Please be safe and remember your bike lights!

Upcoming at the club in August is the highly anticipated Hawaiian Luau. On August 10th the Coronado Yacht Club will be transformed into a tropical oasis complete with Live Hawaiian Music, Hula Dancing and Fire Show. We have put together a delicious buffet menu featuring delicious items from both Land and Sea displayed amongst a tree made from Pineapples. Tray passed Ahi Poke with Taro chips and a welcome Coconut Water Craft Cocktail await guests on this evening. For the younger guests there will be a candy lei making station and a special kids buffet. Bonus points to anyone who shows up wearing a Coconut Bra. We hope to see you all at this event which will help to celebrate the fabulous summer we've had on our special "Island".

Make sure to sign up for these events by emailing coryclub@coronadoyc.org, stopping by and signing up in the book or calling the front desk 619.435.1848.

Live Bands

Side Lawn	Friday, July 26, 7-10p	Uplift Band
Side Lawn	Friday, August 16, 7-10p	Ron's Garage

Waves and Words

By Chaplain Gary Boggs

Summer officially arrived on the twenty-first of June. However as I write ahead of publication, I think we have seen about an hour and a half worth of sunshine around CYC. The daylight hours are as long as they will be for 2019, but so far it just doesn't feel like summer. Around Coronado, and especially at our club, we all know what July brings: The 4th of July! The local parade in town, friends and family gathered together for food and fun, club wristbands, the club parking lot filled to capacity, Glorietta Bay filled with boats and four days of folks enjoying our waterfront paradise. In other words; nothing will be "normal" around here for about a week! We all love the "Independence Day" celebration. I like to remember that it's not just a holiday that gives an excuse to have a big party! In a day and age when there seems to be so much division in our land, let's look back and remember and reflect that it's about the birth of the most amazing nation in history!

On July 4th, 1776 Our "Founding Fathers" adopted "The Declaration of Independence". That's 243 years of our country being a free nation committed to the truth that all men are created equal, that they are endowed by their Creator with certain unalienable Rights; that among these are Life, Liberty, and the pursuit of Happiness. The men who signed that document were willing to put their lives, honor, and fortunes on the line for the love of liberty. My hat is off to them and all the men and women who are willing today to do the same in defense of our freedom and way of life! In my humble opinion it seems that today, far too many people are only concerned about their own selfish opinions and ambitions instead the Truth and Principles that men like Washington, Jefferson, Madison, Franklin, Adams and others too numerous to mention, were willing to fight and die for. Perhaps it's time to re-focus on the principles that this nation was founded on and not be led in directions our forefathers never intended.

As individuals and as a nation, we need to turn back to our roots and once again have reverence for our Creator God. We need to live lives that make a difference and bring glory and honor to His name and to the memory of those who have gone before us, fighting and dying so that we can be free! "God forgive us for leaving You out of the equation of our lives". Lead us back to the thing that our Founding Fathers knew to be true: "That a nation can't survive without God." One last thought: "If God be for us, who can stand against us?" Be kind to one another, look out for one another and love one another. May you have fair winds and following seas, Happy 4th of July! Chaplain... out!

From the Jr. Clubhouse

By Jr. Sailing Director Jill Powell

Summer camp is off to a great start. Session #1 started June 17th and will finish up on the 28th. We have the week of the 4th of July off, then session #2 will start up July 8th. Coronado YC will host the Dutch Shoe Regatta on July 19th, and then SDAYC Luff-in on the 20th -21st. If you would like to help with the Dutch Shoe or Luff-in, please let me know. I need volunteers!

We had the first week of fishing camp on June 17th to 21st. Nine kids caught over 200 fish in one week! We still have room in the last two weeks of fishing camp on July 22nd-26th or July 29th-Aug 2nd. All of the sailing camps are sold out for the summer. I will have the fall sailing schedule out by August 5th. Fall will start the week of September 16th through November 15th.

We only had one regatta in June but as you can see, we will make up for it in July and August! We have a great group of new race team sailors coming up this summer.

CONGRATULATIONS....

...to Sabot squaders Jade Schneider, **Madilyn Anderson** and C420 Squad **Stella Taherian**/Sophia Shaffer and **Isabelle Loiselle**/Mercy Tangredi at the All-Girls Sail Jam hosted by MBYC.

SAVE THE DATE

- July 8: #1 of 3 Dick Sweet team racing event @ ABYC (1-day event)
- July 9: Tuesday Under 12 South Champs @ SDYC (For any sailors that has not turned 12 yet [1-day event])
- July 12-14: JO's @ABYC
- July 15: Monday #2 Dick Sweet team racing, NHYC (1 day)
- July 17: Wednesday Under 12 Champs @ MBYC (If you get top 10 at the SDYC regatta, you sail in this one)
- July 19-24: US Sailing Women's Double-Handed championships @ SDYC
- July 19: Friday Dutch Shoe Regatta, SDYC to CYC
- July 20: Saturday, Sabot measurements 8-11 am @ CYC
- July 20: CYC Luff-in @ CYC
- July 22: #3 of Dick Sweet @ SDYC (This is the last of the team racing event)
- July 29-August 2: National practice at MBYC with all of the other yacht clubs in San Diego, 11am-4 pm (Only for sailors going to Nationals)
- August 5-8: Sabot Nationals @ NHYC

Race Committee Report

By Race Committee Chair Glenn Welch

The Bailey Opening Day race was unusually well attended with 15 boats registered. The standings are as follows:

POSITION	BOAT	RATING	SKIPPER
Class One			
First	SNOOPY	-3	Mark Surber
Second	ELUSIVE	45	River Paquin
Third	SAILHOOK	84	Peter Andreason
Fourth	MI SUENO	107	Dave Kettenhofen
Fifth	STILL NASTY	84	Justin Bingham
Sixth	MELOKIA	84	Mike Whittemore
Class Two			
First	VALKYRIE	156	William Betzer
Second	ENCHANTRESS	145	Willem Van Waay
Third	JABBERWOCK	120	Glenn Welch
Class Three			
First	SHIBUI	117	Shawn Powell
Second	ENTRIGUE	200	Mike Dowling
Third	SARAYU	195	Mike Lewis
Fourth	ANONA	50	Fred Hawes
Fifth	AURORA	260	Curtis Milioti
Sixth	R&R	186	Chris Toogood

The Summer Small Boat Regatta was held June 15 and 16. Fifteen boats from the FINN class and five boats from the MOTH class competed. **Fran Holian** and **Chris/Barbara Kleber** provided the race committee boats. Other race committee members included **Sue Welch**, **Mike Whittemore**, **Mike Lewis**, Lois Mandel, **Frank Lyall** and his son-in-law **Wayne Kitt**, **Curtis Milioti** and **Ned Imming**. This event is not possible without dedicated volunteers. Many Thanks.

CYC Members Cherish our Bay

Summer is here and our membership, guests and children are out enjoying swimming, SUP'ing and all kinds of fun water activities. We remind everyone that it is our individual responsibility to work together to protect our water quality, since there are dire and direct consequences from illegal discharge of sewage both to our health and safety and to maintain the vibrancy of our beautiful bay and shoreline.

Dumping sewage is illegal and compliance is mandatory with CYC's By-law's. Disregarding the By-law can mean the loss of your CYC boat slip.

Federal law says that untreated sewage product CANNOT be discharged in inland or coastal waters. Environmental standards have been established by the Environmental Protection Agency (EPA) and regulations issued by the Coast Guard governing the use of Marine Sanitation Devices. Federal law states that if you have a holding tank with a "Y" valve allowing direct overboard discharge of untreated waste, it must be secured in the closed position while operating in all inland and coastal waters. Using a non-releasable wire tie, padlock, or removing the valve handle is considered adequate securing of the device.

The idea behind federal regulations concerning sewage on boats is to keep untreated sewage out of our inland and coastal waters. Some illnesses linked to sewage in waterways include: MRSA, Hepatitis A, Encephalitis and Meningitis, Gastroenteritis, Vibrio Vulnificus and Leptospirosis.

<https://www.cdc.gov/healthywater/swimming/swimmers/rwi.html>

The good news is that there are a lot of options for our membership to dispose of your sewage legally either at the Glorietta Bay pumping station or to call one of three private companies in the business that will come to your boat.

Pumping Station in Glorietta Bay

1.) Glorietta Bay Marina (In front of Boat House Restaurant)

1715 Strand Way

Coronado

(619) 435-5203

Public use \$5 fee 9am to 4:30pm

Mobile Sewage Pumping Companies

2907 Shelter Island Dr. St. 105-420. San Diego, California 92106

760-815-7727. Email: service@pepelapoo.com.

Texting your service request will get the most prompt service.

2.) **All Bay Marine Services**

4918 N Harbor Dr, San Diego, CA 92106

(619) 298-4568

3.) **Bay Pump LLC**

4918 N Harbor Dr, San Diego, CA 92106

Phone: (619) 523-1167

June proved to be an exciting month for our cruiser navigation contingent. We participated in two contests, the first on Saturday, June 1, in the bay, and the second on Saturday, June 22, for our first near shore ocean contest of the year.

The June 1 contest was held under leaden skies, but with intermittent SW winds and benign currents. The currents, as usual, did fox some of us out, as the change of flood current to ebb current occurred for most of us during the initial portion of the contest. Of course, the tide change was not on the time schedule as predicted by our current prediction software.

We began the contest at the Navy mooring buoy, "19" and continued west and then south down the channel to channel buoy "15" where we did a "U" turn and returned to the city and subsequently south to the Coronado bridge and beyond to the south bay "flats." Then led to red channel buoy, "34" near the National City auto pier. Fortunately for our navigators, a car carrier was docked at the pier, and we confirmed our long range bearings successfully. The remainder of the contest took us back to the bridge for the Finish.

The only unexpected event was a steady breeze from the SW that slowed most of us going south to the "Mark" at CB 34. It could have been a combination of shallow water and the wind. Who knows?

When the scores were announced at SWYC following the contest, your scribe took First Place with just over a 0.5 percent error, and **Jeff Calabrese** took a close Third Place. **Magnus** was not far behind taking Sixth place out of 11 contestants. Good Going Team Coronado! Our Club totaled the most yacht club points for the day!

The June 22 contest began at green channel buoy "15" abeam of the bait barges. The course led south out of the channel to green channel buoy "07" for the first timed "Mark." The next leg was a long run east to the Navy mooring buoy "TG 1" for the second timed "Mark." Then it was a blind point run for three quarters of a mile toward the Silver Strand (diamond marker), and then a long haul south along the shoreline until the lifeguard station at the entrance to Coronado Cays was abeam to our port for the third "Mark." Final legs included a long haul back to the channel entrance and red channel buoy "08," and then north up the channel to our finish at red channel buoy "16." Altogether a challenging 14 NM cruiser navigation contest in the channel and the Coronado "bight."

The second contest contained almost identical weather and current conditions as the first contest, with a marine overcast layer most of the morning, and slack currents between the ebb and flood currents occurring just when most of us were starting. Once again, the winds were light from the southwest during most of the competitions.

The question we all had was "Could our Coronado Team repeat or improve upon our very good showing earlier in the month? The answer to our question was a conditional yes, with the help of navigational skills demonstrated by **Magnus Karlsson**, who captured Second Place! **Congrats Magnus!** **Jeff** and I were caught up in an unexpected ocean current from the south east and the best we could manage was Fifth and Sixth Place respectively. However, the good news is that our team managed to out-score our competitors for total club points for the second contest in a row. We are going to have to get our heads together to determine where or how this current came out of nowhere to impact our contest scores.

If you own and cruise a mid-sized power boat, consider learning about cruiser navigation contests by joining one of us on board for a "test" run. There is nothing to lose, and based on my personal experience, much to gain in knowledge of the bay waters, operational experience with the mechanical and electronic systems on your boat, confidence in your boat handling, and the camaraderie amongst our Skippers. In fact, it is a lot of fun planning the contest and competing on the water. To get started, I will be more than willing to guide you step by step as you enter into this fascinating sport. Welcome Aboard!

The Coronado Maritime Foundation is making progress on a monthly basis, but we continue to need your help in raising funds to meet our goals and objectives for helping the South Bay youth boating community. Our young sailors work extremely hard to continue raising the bar and it shows by their consistent results showing up in the top few positions in many regattas. Some even bring home top honors in one National and World one design competitions.

At a recent CMF Board Meeting we passed a motion to approve our groups Mission Statement, which is listed below:

“To support educational programs related to sailing and related maritime activities, emphasizing safety, respect for the marine environment and, in competition, standards of sportsmanship which embody the traditional Corinthian Spirit.”

There is not a specific reference above to the South Bay, but it is part of the CMF founding charter and has been adhered to since our inception 20 year ago.

Speaking of 20 years ago, we are planning a gathering on September 7th at CYC to celebrate our 20th Anniversary serving the community. We are inviting the CYC membership and all other interested parties to come and enjoy a reception where we plan to introduce some prominent sailors that have benefitted from our fundraising and donations. We are also working on a few other ‘surprises’ that we will announce when we get closer. Please save the date for September 7th in the afternoon. We hope you will be able to join in the celebration!

This past month we were able to complete our registration with the CarEasy.org and we can now accept your tired cars, boats, airplanes and more which will be turned into cash donations! All you have to do is go to their website: <https://careasy.org/nonprofit/coronado-maritime-foundation> and fill out the online form. They will do the rest, including picking up your donated item usually within 72 hours. This can be a win-win for everyone!

Thank you for your continued support. Please do not hesitate to contact me with any question or donations you may have. Jeff Jakus, (619) 972-0677 Jeff@wowsd.com.

MEMORY LN

by Charlie Allen
Long Time Flag Member and Staff Commodore

Mrs. Bea North, years ago when we met you wanted me to tell you about our sailing friendship in the old days. So here is my short story. Hope you don't mind me sharing

- Lowell North, gentleman, perfectionist, sailing champion back in 1948-1949.

This is a story about my friendship with the best sailor of my time. We were both born in late 1929. I, in November, he in December. We met in 1947 when I started sailing in the SDYC Star Fleet. At that time the International Star Class was the ultimate racing machine, and Malin Burnham and Lowell won the Star Worlds in 1945 when Malin was 17 and Lowell was 15. Generally, the local racecourse was in the ocean a mile or so from the Hotel Del. That meant I had a 9 mile sail to the start lines. In those days, boats and spars were wood and sail was Wamsutta (Egyptian cotton).

UGLY BOAT OWNED BY A SKINNY GUY

The Star is a 2 crew hard chine keel sloop, 22' long, with a large mainsail, sliding backstays and a 900 lb. fin keel. It was well balanced and a joy to sail. To weather, the 2 crew hiked out by hugging the weather rail.

I joined the SDAYC fleet in early 1948 and raced with the fleet that year. The fleet was top notch. Champion Malin, future champion Lowell, Gary Driscoll, and Frank Wyatt to

name a few. Novice Charlie, with my water logged boat which was never mentioned easily earned the term "Tail in Charlie". I took solace in reducing the gap between me and the 1st boat to finish. One day, after the race, Malin said to me "Why don't you get a competitive star and compete for real?" Wise advice, but my main focus was getting a Bachelor degree and my family lacked the four thousand dollar necessary (70 years ago all prices were reasonable. Also my club didn't have a crane to keep the boat on the hard as they were at SDYC.

In the Fall of 1947, both Lowell and I entered college at SDSU and in 1948 were members of the 1st SDSU Sailing Team. Lowell was absolutely the leader and college sailing

consisted of borrowed boats, fleet racing in 2 A & B fleets, and 3 man teams for team racing. Skippers elected were from an elimination series which was held at MBYC in Thistles. Since Lowell was an obvious winner, I made a race plan to follow him. When he tacked, I tacked, and to my surprise it worked and I got 2nd, meaning I would go to regattas and race B Fleet. I was stoked!

One of our 1st regattas was at NHYC in Lehman 10's. I remember Lowell telling me to release the main down haul when I 1st got the boat (we rotated boats each race) and adjust just before the start which I did and while he dominated A fleet, I was able to do respectably well in B.

Another time we raced at Cal-Berkeley in their International 14's which racing in the Bay chop on the lee shore was a challenge. Over one wave, through the next, take in a lot of water (I-14ers were open boats) and once off the wind, opening the drain and blasting on the plane. Then worrying about getting off the plane at the leeward mark and successfully jibing the big main. Great fun!

Lowell dominated West Coast college racing that year and our team earned the right to the National Champs in the Mid-West. This turned out not to happen because we had no funds other than our own for the trip.

Lowell Orten North 1929-2019

The next year I went to Duke and I believe Lowell went to Cal before me. At this point I sold the Star and after finishing college and being drafted I moved to Penguin dinghies for racing.

Lowell of course created his "super dream sail" dominated the Star Worlds for years and founded North Sails among a lot of personal accomplishments

including sailing around the world. Bon voyage Lowell, you did a lot of good for a lot of people and I and the sailing world deeply respect your talent.

Addendum to TransPac 2019

*Wanted to add that **Ian Bower** of **Blond Fury** and **Scott Harris** of **Snoopy** have made multiple TransPacs and know the territory*

Need Storage?

*Coronado Mobile Storage
provides the Storage Room
That Comes to YOU!*

CONVENIENCE

We deliver a steel ocean shipping container that remains on a trailer at your site. You can load or unload furniture, books, sporting equipment, accounting records or anything you want to store. After the container has been loaded call us, to have it returned to our storage facility. When you need something your container can be delivered to your location or you can access it at our storage facility.

SECURITY

Our security far exceed that of most self-storage facilities. Our steel heavy duty containers are fire and vandal resistant. Most containers are stored "door-to-door", which makes unauthorized access very difficult. In addition like a bank safe deposit box, the containers can only be opened if both your key and our key are available.

SAVINGS

Coronado Mobile Storage provides space at rates that are far less than the "going rate" charged at self-storage buildings located along the coast.

NEED HELP LOADING?

We can provide you with a list of reliable people eager to help. These people are paid directly by you. All trailers are equipped with loading ramps and hand carts.

MONTHLY RENTAL RATE

8' x 20' (160 Square feet)	\$220
8' x 15' (120 Square feet)	\$192
8' x 10' (80 Square feet).....	\$148
8' x 5' (40 Square feet).....	\$126

CLASSIFIEDS/FOR SALE

For Sale: Avon 10' Dinghy 1983 but no holes or leaks. Call me see it. Has 1. Floor boards, 2. Two seats, 3. Oars, 4. Foot pump. Comes with a Mercury 2.2 horse power motor. 619-435-8227.

CATALINA 38 - We have purchased a new sailboat and don't want to be a two-boat family! Over the past six years we have made many upgrades, including: new lifelines, standing rigging, ProMariner charging system, furler (all in 2017), running rigging; new water pump, macerator, batteries, and more (2015). This is the vessel that was previously owned by Frank and Dudley Rockwell; it sails beautifully and the engine purrs like a kitten. Will consider all reasonable offers. Bruce and Cathy Liese—bliese@kumc.edu or 913-579-5039.

CYC Flag member looking for a partnership in a boat just for cruising and entertaining... If you are a CYC

Flag member and are not using your boat as much as you like and would consider a partner/co-owner please contact me... 619-435-5200... Very reliable, clean, responsible and experienced!

FOR SALE—Classic 1970 whaler with rebuilt and refinished wooden console and 90HP 2010 Yamaha engine. Very few hours of engine use. Comes with Aros trailer. Call: Marylee Goyan - 619-972-5158

Dear fellow CYC member, My wife Teresa and I are CYC flag members since 2016. We wish to partner with another member with a 18-26 ft power boat in a wet slip so that we can start creating family boating memories at CYC. We are happy to supply generous funds to defray overhead costs in accordance with CYC guidelines for the opportunity. We are good and honest people who just want a chance to enjoy the most important amenity any yacht club has to offer... access to the water. Sincerely, Martin and Teresa Bastuba, Sons: Alex, Ryan and Ben, 1502 Glorietta Blvd, Coronado, 619-889-1199

FOR SALE: FLOATING RAFT: Great as a dock for kayaks or paddle board, excellent for swimming and snorkeling. Not a toy, heavy-duty to be used as a work platform for yacht cleaning or maintenance. Made of same heavy-duty materials and can be carried by 1-2 persons or rolled on a folding hand cart for easy transportation. Place beach chairs or loungers and enjoy your own private island on the water. Great as a fun activity platform for yachts. Top surface all covered with large non-skid patch. Also can be used as a dock for a Jet Ski and small boats. Contact Flag member Scott Kaye. \$375 negotiable.

FOR SALE: Sabot with all rigging. Like new. \$300.00. Call Margaret Bartlett 619-466-5475
