HARRY HELGESON SUMMER TWILIGHT SERIES

April 4, 18, May 9, 30, June 20, 2008

SAILING INSTRUCTIONS

1. **RULES**

This race is governed by the rules as defined in the 2005-2008 Racing Rules of Sailing, and these sailing instructions.

- 1.1 Racing boats encountering non-racing craft shall conform to the Inland Rules of the Road. No racing vessel has rights of way over a large vessel in the channel and shall keep well clear of all deep draft ships. RRS 60.2, 63.1 and A5 are modified to add that the Race Committee may directly disqualify a yacht infringing 1.1 without a hearing.
- 1.2 **NAVAL PROTECTION ZONE:** The Naval Protection Zone is a 500 yard regulated area of water surrounding all US Naval Vessels of 100 feet or more. All vessels within 500 yards of a US Naval Vessel shall operate at the minimum speed necessary to maintain safe course and speed, and shall proceed as directed by any official patrol. **NO VESSEL IS ALLOWED WITHIN 100 YARDS OF A US NAVAL VESSEL.** These zones are permanently in effect.

2. **ENTRIES**

- 2.1 Entry is open to members of all yacht clubs and sailing associations recognized by the USSA.
- 2.2 There are three classes, 1, 2 and 3. During this series, any boat may compete in Classes 1 and 3, or classes 2 and 3, during the course of the five races, but boats must have 4 races in the same class to qualify for the trophy. It is irrelevant whether you used or did not use a spinnaker for those races, your place is what counts.
- 2.3 Classes 1 and 2 use PHRF RLC handicaps, except that a non-spinnaker offset will be applied for those who declare before that day's race that they will not use spinnaker.
- 2.4 Class 3 is boats using CYC Handicap ratings, except that a non-spinnaker offset will be applied for those who declare before that day's race that they will not use spinnaker. Ratings can be obtained by contacting the CYC Handicap Chairman. Established Coronado Handicaps for Class 3 are posted on the racing bulletin board in back hallway and in the Blue Book at the front desk. Any boat wishing to race in Class 3 shall sign up as such, entering the current handicap, or if none, their PHRF RLC rating.
- 2.5 Boats shall be entered at the club office before 1730 on race day, and thereafter at the race committee platform prior to the first WARNING signal. The club office accepts telephoned and email entries during business hours. Email entries should be confirmed.
- 2.6 Class 1..... PHRF rating of 113 or less
Class 2..... PHRF rating of 114 or greater
Class 3.....CYC Handicap Rating
